

REVELATION 12 SIGN

PATTERN OF VIRGO CELESTIAL SIGNS

Coming Great Middle-East Celestial Wars

'A great sign appeared in heaven: a woman clothed with the sun, with the moon under her feet and a crown of twelve stars on her head. She was pregnant and cried out in pain as she was about to give birth... She gave birth to a son, a male child, who "will rule all the nations with an iron scepter." And her child was snatched up to God and to his throne. The woman fled into the wilderness to a place prepared for her by God, where she might be taken care of for 1,260 days.' -Revelation 12:1-6

The purpose of this chapter is to investigate astronomically the recurring Revelation 12 imagery of the Virgin about to birth and 'Rapture' a Manchild with Sun, Moon, Stars and Dragon symbology. The Virgo celestial signs in question will be plotted onto a matrix timeline from 2000 to 2025. This study only seeks to show the possible patterns of just how many times does the Virgo constellation approximate and/or match that of the book of Revelation 12 prophetic vision. This study is for illustrative purposes and to have an overall perspective of the astronomical characteristics surrounding these celestial Virgin 'Sign' occurrences.

All the solar and total lunar eclipses from 2014-2022 will be designated on the timeline. These eclipses fall in-between the 2 Hybrid Solar Eclipses of 2013 and 2023. This cosmological pattern could provide the time frame of when World War 3, triggered by Syria perhaps, the Rapture and the Tribulation period might occur within such astronomical 'book-ends'. The timeline presented of the possible course of events will only be speculative based on the Virgin Sign patterns, the solar and lunar eclipse patterns and current political events in the Middle East primarily that are rushing fast to a climax as Syria will most likely be the trigger point, i.e., the Isaiah 17, Psalm 83, Ezekiel 38 wars.

During this specific time period from 2014-2022, in-between the 2 Hybrid Solar eclipses; there are 20 total solar eclipses. The total lunar eclipses will likewise be plotted onto the timeline, which are 10 totals. A short Biblical numerical study on the numbers 10 and 20 will be highlighted to give some possible prophetic perspective of their possible implications as it relates to the Nation of Israel. Then, several day counts will be emphasized in the illustrated timeline to ascertain if there is any possible number, date, or mathematical relationships. A short study on the Biblical and prophetic make-up or nature of the constellation Virgo itself will be presented, according to the work and research of E.W. Bullinger. Lastly some possible prophetic interpretations will be given along with several speculations as to the possible Tribulation start dates and when the Rapture could occur.

Celestial Virgo Prophetic Patterns

This is based on such Biblical and prophetic celestial patterns in the constellation Virgo, most notably that of the sign that takes place in 2017. Based on the Virgo Sign and eclipse patterns, there does appear to be some very unique number associations, time periods and mathematical relationships to when the Rapture and Tribulation could occur astronomically that is. Out of the 2000-2025 time period considered, only 5 'Signs' in Virgo have the Moon under feet and Sun in the head of Virgo. If the Revelation 12 heavenly sign of the Women with the Sun, Moon, Stars, Birthing, Rapture and Dragon does correlate to the 2017 alignments in September 22/23, 2017, then the 'Sign' itself is prescribing a 'Rapture' to take place first. It is peculiarly only in 2017 that all the components, as depicted in Revelation 12 vision occur in Virgo.

1. 2001
2. 2015
- 3. 2017**
4. 2018
5. 2020

The corresponding effects of the Virgo Sign of 2017 could either be caused by an event such as a World War in the Middle East for example that could be leading up to the Rapture or an event immediately after the event. Nonetheless, based on the order of the 'Sign' itself, it could happen before the Great Celestial War can occur also. This is in regard to the subsequent expulsion of Lucifer from Heaven that many believe will thus occur after the Rapture. Lucifer currently has access to the Civil Court in Heaven as the *Accuser of the Brethren*.

As to how long will it be from the initial Rapture to the Great Celestial War and the subsequent eviction of Lucifer from Heaven? That remains to be seen. And one question to ask is if it is concerning the same one and only 'Rapture'? The 2017 Virgo sign might well involve Rapture, but many End-Time students of Biblical prophecy speculate that there are multiple Raptures occurring as it relates to the Tribulation Period. There are 7 Raptures precisely in the book of Revelation. This is why there is much confusion as to a pre, mid or post-Tribulation Rapture theories. In essence, they are all correct in that there is more than 1 Rapture event. The big controversy is over the Rapture of the Church because it will be the initial one that starts the serious of the subsequent Raptures to come.

One aspect of the prophecy or vision is certain regarding the Virgo celestial sign. This certainty is that soon after the Rapture, there will be an all-out Satanic assault on Earth, as it is in Heaven. At such a time, the Great Celestial War by Lucifer and his Fallen Angels will occur. Thereafter, Lucifer will be cast out of the Courts of Heaven and even from his current authority as the 'Prince of the Power of the Air'. It will be part of his descending stages of divine judgment to the Bottomless Pit and eventual destruction in the Lake of Fire for all eternity. It is interesting to consider that when the Rapture of the Church does take place, it will be in the 'Air' ...the very territory of Lucifer that the LORD has redeemed and will occupy.

Possible Timeline of Tribulation

Christ at the cross of Calvary not only redeemed His Church, His Bride, the Earth, but all of Fallen Creation to include the very territory that Lucifer currently has dominion over, the 'Air' and the 'Heavenly places' according to Matthew 28:18. It will be from the air that Jesus will rendezvous with the raptured Bride, in the heart of enemy territory. From this realm, Lucifer and his minions will launch his last assault into Heaven from where he has judicial access until the Rapture. Thereafter will be the time that Satan is cast down to the Earth. This could correspond to the last 42 months that is referred to as the Great Tribulation.

Per some interpretations of the End Times, this timeline presented in this study only seeks to highlight possible sequence of events that could happen based on the prophetic Revelation 12 vision. For one, such speculative dates are based off the Virgo celestial sign pattern, the solar and lunar eclipse patterns, some particular time and date counts and current events in the Middle East. Some notable factors for this possible timeline are based on what the current geo-political sequence of events has led the Middle East with the Arab Spring, Egypt and now Syria to possibly be the long awaited occultic start to World War 3.

It appears that Syria will be next in line to experience the New World Order's ravaging of a sovereign country. This has been done to Iraq, Afghanistan, Tunisia, Libya, Egypt and now Syria. It has been the Luciferian Doctrine of Divide and Conquer. From an eschatological point of view, the LORD is allowing the chess board of political maneuvering to set the stage in the Middle East for the final Tribulation Period to discipline Israel and judge the nations at Armageddon.

This is a whole other study in itself. Nonetheless, at least astronomically, if the 2 book-end Hybrid solar eclipses and the Virgo celestial signs are any indication of this coming time period, then the next few years, 2016-2019 in particular are to be looked at with great anticipation but with hope and horror of what is to come prophetically. A year in the Spring when the possible timeframe for the much anticipated 'Peace and Safety', is expected to occur by way of the Israeli-Palestinian peace talks of dividing Israel into 2 states but then Sudden Destruction shall come upon them. The Isaiah 19 destruction of Damascus might occur as Syria will most likely be the trigger point that leads to World War 3.

A tactical nuclear strike by Israel against Syria would also serve to put Iran on notice with respect to Iran's nuclear program. This study suggests that the Psalm 83 War with Israel will be World War 3 between the Jewish State and its Muslim enemies. As perhaps the chemical and biological attacks in Syria spill over into Israel, Israel nervously acting out of self-preservation, will take out the majority of the chemical and biological caches in Damascus by a nuclear device that leads to the 'sudden destruction' and World War. This will in turn prompt the Psalm 83 Muslim coalition of Inner-Ring of Muslim nations to attack Israel.

Possible Scenarios

Thus, this timeframe could be the possible 'Rapture Zone' as with Sodom and the Flood typology of escaping before sudden destruction came. Sodom is the 'type' for the Church that leaves, the Flood is the 'type' for Israel that stays. In Romans 6:5 it does allude to Believers in Jesus following in the same sequence of the Resurrection of Christ. Since Christ arose in Spring, it could be the time of the Rapture and Resurrection then, if not at Pentecost, then Rosh HaShanah. As Israel is prophesied to prevail in the Psalm 83 War, Israel will live in 'un-walled cities' thereafter with a false sense of security and peace.

After the supernatural defeat of the inn-ring Muslim alliance thereafter the AntiChrist 'Confirms the Covenant' with the Many for 7 Years that is implemented. The 3rd Temple is initiated with Daily Sacrifices. The subsequent 7 Year 'Covenant' could be corresponding to the Jubilee Year, as per some calculations on Yom Kippur and the Luciferian 'Year of Light' 5776. As it is, the Oslo Accords stipulates a 7-year timeframe that just needs to be 'confirmed'. Then the Ezekiel 38 War of outer-ring Muslim nations attack Israel. This invasion will be, in essence retaliation for the Muslim defeat by Israel during the Psalm 83 War. This could accommodate the 7 months needed to bury dead and the 7 Years to burn the nuclear weapons for fuel in Israel.

The AntiChrist sets up his biometric New World Order (NWO) 666 Mark currency worldwide after the collapse of the current economic order due to World war. This alone follows the same pattern established after the 1st and 2nd World Wars, in that that a 'New Order' for the world at large came about, in terms of world politics, governance and economy. The Revelation 12 Heavenly Sign in Virgo occurs around on September 22/23, 2017 as Rosh HaShanah is ending. Since a 'Rapture' had preceded this event, the War in Heaven ensued as Lucifer is evicted out of Heaven; dethroned from being Prince of the Power of the Air any longer as the Rapture rendezvous in the Air had usurped his authority over it.

Thereafter, Lucifer is thrust to the Earth to make way for Thrones and Powers to be given to the Bride of Christ after Bema Seat evaluations of the Saints. During this time is the possible timeframe of when Lucifer, having been cast out of Heaven due to the Celestial War, indwells the AntiChrist and stops the Daily Sacrifices and sets up the Abomination in the 3rd Jewish Temple and proclaims himself to be 'god'. He then pursues Israel into wilderness to destroy the Remnant. Worldwide persecution ensues and capital punishment is handed down to those that refuse to participate in the NWO economy.

The Remnant of Israel flees to the wilderness in Petra for the next 1260 days or 42 months that is described as the 'Great Tribulation' or the Time of Jacob's Troubles'. Possible timeframe of when Jesus Christ's 2nd Coming or Perusia will appear and the final Battle of Armageddon occurs. Christ returns at Fall Feasts to set up Kingdom on Earth. Astronomically, it is generally agreed upon that the constellation Virgo does depict such an image that the Book of Revelation 12 vision presents. Virgo is one of the 12 'Houses' or Signs of the Zodiac or Mazzaroth.

From Earth's perspective, the Sun appears to traverse the 12 signs, 1 per month on average. There are actually 13 Signs in the Mazzaroth or Zodiac. The Sun will usually pass through Virgo on the Ecliptic in the Fall months, around September to October of a given year. What is fascinating is that the configuration or depiction of Virgo makes for an interesting anthropomorphic construct. For one, the planets or the 'wanderers' as they are often referred to by most cultures, appear to be 'birthed' in-between Virgo's legs. This area of Virgo depicts a typology of a birthing of the planets. The planets will either be in close proximity to the Ecliptic or above it and in-between the legs of Virgo when this happens. Based on the research done, this study only finds a pattern of 5 Virgo Signs that occur from 2000-2025.

These times approximates and/or mirrors that of the Book of Revelation 12 vision. Thus this Virgo pattern could possibly give a clue as to when the Rapture of the Church is to take place if it is chronologically presented and if in fact the Revelation 12 typology corresponds to the Sun being in the constellation Virgo either in September or October of a given year. Perhaps the Rapture is to occur before the Fall, but not necessarily on any Jewish Feast days such as Rosh HaShanah, Yom Kippur, Tabernacles, or the 8th Day Assembly but perhaps. The Virgo sign configurations, that occurred on 2001-2015-2018-2020, in particular and based on the Revelation 12 typology, appear to be also in a *phi* ratio ϕ mathematical relationship in terms of their distance in relation to their time intervals.

The 2015-2018-2020 timespan is also in a phi ratio. These Virgo occurrences have 1 element in common to all; the planet Mercury is associated with their configuration. In the 2001 Virgo sign, Mercury was in direct conjunction to Spica. In 2015 Mercury was near Spica. In 2018 it will be somewhat distant to Spica but closer on 2020. The Virgo Sign is very unique during the 2017 occurrence. Although it is not like the prior Moon-Sun configurations as it does allow for some spectacular numerical symmetry when incorporated into the timeline with the other 3 Virgo signs of 2015-2018-2020.

The next occurrence happens on September 11, 2018 excluding end date for calculations. These 3 Virgo signs in themselves have thus a September 16-11-19 pattern that mirror each other based solely on the dates or it just could be mere coincidence. In 2001, this celestial Virgo sign occurred 7 days after 9-11 on September 28, 2001. Then on September 16, 2015 the sign coincides with 3 major possible prophetic occurrences. The 2015 Virgo sign had the following peculiarities.

- 1) *Close time frame of the last Total Blood Moon of the Tetrad.*
- 2) *Occurs close to a Partial Solar Eclipse.*
- 3) *Occurs during the start of the Year of Jubilee per some.*

The September 11, 2018 sign occurs about 30 days from the Central Blood Moon of July 27, 2018. This is the Moon that will be over Jerusalem and has its counterpart occur back on June 15, 2011. These 2 Central Bull's Eye Lunar Moons are exactly 7-Years apart. It is also nearly occurring in the middle of the Triad of the 3 Total Blood Moons starting in February of 2018 and ending in January 2019.

Matrix of Revelation 12

Thus the Virgo Sign occurring in 2018 could possibly allude to the middle of the Tribulation Period and then the last Virgo sign that occurs in 2020 may be signaling the conclusion of its prophetic implication. The matrix table below will attempt to illustrate the following. How many times since 2000 does the constellation Virgo approximate and/or mirror the Revelation 12 imagery? Here are the variables to consider based on the main factors related to the vision.

- 1. How many times does the Moon appear 'under' the feet of Virgo?*
- 2. How many times does the Sun appear at the 'head' of Virgo?*
- 3. How many times does the Sun appear to 'cloth' Virgo?*
- 4. How many times do planets become or appear to be 'birthed' when the Moon is under feet and the Sun is either at head or clothing Virgo?*
- 5. How many times does a planet that is associated with a 'serpent' as in Ophiuchus and/or Serpens get aligned when the Moon is under foot and the Sun is at either the head or clothed and in Virgo?*

As the layers of probability get added on the mark and are more refined, the odds of such a complete matching of all 5 elements to occur on the same date as prescribed in Revelation 12 vision in the same constellation is astonishing mathematically. Since 2000, there have been only 4 times when the constellation Virgo has specifically had an approximation of the Revelation 12 imagery. What is of interest is that not until the 2017 celestial Virgo Sign do all the 5 aspects listed above perfectly occur. The 4 identified ones of 2001-2015-2018-2020 approximate the vision but not unlike the one in 2017. There appears to be a singular and period in the 2017 Virgo Sign that matches all the elements of the Revelation 12 vision exclusively.

Given the number of eclipses, both solar and lunar in-between the 2 solar Hybrids of 2013 and 2023 on the timeline presented, the symmetry is such that it could constitute a 'Menorah' pattern. It might be a stretch of the imagination, but it is interesting to contemplate. Could such sequence of eclipses be hinting at the corresponding number of years the Tribulation is to be? The timeline in-between the 2 Hybrid eclipse, visually at least appear to have a beginning with the Tetrad and middle with the Triad of eclipses and an end with a composition of eclipses as well.

Throughout this time period, there is a recurring pattern of 4s. The Tetrad is a 4; followed by 4 Solar Total Eclipses followed by 4 Partial Solar Eclipses in the 'middle' that then are mirrored after the Central Blood Moon in 2018 all the way to 2022. It would appear that this 'Central' Blood Moon is the center of this celestial astronomical 'Menorah' in more ways than one as it is also the center of the 3 Total Blood Moons. Perhaps this 'zone' is a sort of mid-point for the either the Tribulation to reach its mid-point, if you ascribe theologically to the 7th week of weeks that Daniel 9:27 alludes to or the interpretations based on having only 3.5 years remaining of the Tribulation.

Matrix of Revelation 12

Here are some amazing symmetrical day counts that encompass this possible 'celestial' Menorah. From the September 16, 2015 Virgo sign to the September 23, 2017 Virgo sign, it is about 738 days. From the September 23, 2017 Virgo sign date to the September 11, 2018 Virgo sign is about 354 days. Then from the September 11, 2018 Virgo sign to the one on September 19, 2020 it is also about 739 days total. This would amount to about just a little over 5 years for this cluster of Virgo signs to play out their possible prophetic implications, if any.

The following table has the possible anthropomorphic representation of the constellation Virgo September-October of each year. Celestial alignments when Moon is at feet of Virgo and Sun is 'clothing' constellation.

The Number 10

In-between the 2 bookend Hybrid solar eclipses, there are a total of 10 total lunar eclipses. The Number 10 represents YHVH's perfect order according to some that study the meaning of Biblical numbers. It is attributed to completeness thus when a new cycle is to begin. For example, Noah was the 10th generation from Adam when worldwide judgment came upon the Earth and humanity. There were 10 Plagues in Egypt representing God's complete Judgment upon the kingdom that held Israel in bondage. During the Tribulation, it is speculated that the 2 Witnesses will have the power to replicate such plagues as Elijah performed.

Interestingly, the AntiChrist during the Tribulation will command a 10-nation confederation. As to Israel, the Old Testament records 10 Rebellions during the Wilderness journey to the Promised Land. Perhaps these 10 lunar eclipses that start with the Tetrad will culminate with the judgment of the world as a type of 'Sodom' and the Last Battle, Armageddon. If this time period from 2013-2023 is where this 'Judgment' and 'Last Battle' are to complete YHVH's judgment upon 'rebellious' Israel and the AntiChrist, then the astronomical occurrences alone provide a chilling omen of what is about to occur on Earth. Jesus Christ will judge the World, Jerusalem and Lucifer as alluded to in Acts 17.

The Number 20

In the Bible, the number 20 has been found to be associated with the 12 Tribes of Israel and the nation as a whole; it is of betrayal, travail, and hardship. It speaks of conflict and preparedness. It can be seen a double '10' and thus falling short of the perfect and completeness, as in 21 or (7-7-7); thus, not a completion but a lacking. One such betrayal in the Bible occurs when Joseph is sold for 20 pieces of silver by his brothers. This alone echoes the betrayal of Jesus for 30 pieces of silver, a 20 plus a 10 at the hand of Judas.

Then Jacob spent 20 years with his uncle Laban traveling and anticipating a bride. In the time of the Judges, Israel waited 20 years before Samson came on the scene to deliver Israel from the oppression of the Philistines. In the Bible, 20 was the age for the Israelites entered the army and the age a Levite could start priestly service. Yet prophetically, as national Israel is not yet 'perfected', has betrayed the True Messiah, Jesus Christ. Nor has Israel been completed in 'faith'. perhaps this time period from 2013-2023 will see the Hand of LORD travail over Israel as it will be ironically betrayed by the false 'Messiah'.

This time of Daniel's 7th week of years will be characterized as 'The Time of Jacob's Troubles' to purify Israel's faith. The New Testament teaches that Israel has 'scales' over their eyes and are blinded in part as a nation from seeing Jesus as the Messiah much like Moses had to cover this face and 'hide' the Glory from the Israelites due to unbelief. It will have to take much tribulation and a 'time of Jacob's Trouble' to wrestle the 'Synagogue of Satan' out of the Jewish nation. It will be a similar prophetic time when YHVH will transform Jacob into a true Prince, Israel.

Solar Eclipse Pattern

2013 - 2023

Below is the list of solar eclipses that are bracketed by the 2 Hybrid solar eclipses of 2013 and 2023. The time span is just over 9 years but perhaps this symmetry of eclipses is hinting at when the possible Tribulation period would be positioned within, If it is either 7-Year or 3.5-Year duration. Suffice to illustrate only that such a symmetry alone, the eclipses do suggest a probable 7-Year duration of time.

The Raptured Manchild

The Revelation 12 sign has multiple possible meanings prophetically as it relates to the Manchild. Here are some major interpretations but not all inclusive. The Manchild typology may have some prophetic implications of the following.

1) The Messiah that is to rule and was attempted to be murdered by Herod / Lucifer; the Woman being Israel with the 12 Stars is representing the 12 Tribes of Israel.

2) The Rapture of Jesus Christ into Heaven after the Glorious Resurrection as Israel goes into Exile for having rejected their true Messiah. The dispensation of Grace ensued for about 2000 years with 1 prophetic Week left to have the LORD deal with Israel to accomplish its fate and faith.

3) The Church birthed and persecuted through the Church Age or for a prophetic '1260' year duration. The 12 Stars is representing the 12 Apostles. The subsequent Rapture of the Church occurs before the Celestial War when Lucifer is cast down to Earth.

4) The Mid-Trib Rapture, of all those in Revelation 20 of that were martyred during Tribulation as Israel goes to Petra.

3-30-3 Pattern

The listings below are the day counts of the Revelation 12 Virgo signs as they occur near an eclipse. In some cases the actual day is in-between the noted dates as the 24 hour day progresses throughout the Earth's time zones.

1) 3rd Day: after last Blood Moon of Tetrad, Sep 13, 2015 on the September 16th a Virgo sign occurs.

2) 30 Days: from Partial Solar Eclipse of Aug 11, 2018 on September 11/12, 2015 a Virgo sign occur.

3) 3 Months: from June 21, 2020 Annular Eclipse to September 19/20, 2020 a Virgo sign occurs.

Jupiter

As Jupiter plays an important role in the Virgo Sign, a short synopsis of its possible prophetic roots will be considered. In the ancient world, Jupiter was the Romanized version of the Greek Zeus, king of all the gods. Lightning bolts were attributed to him as the all-powerful Lord of the Heavens. His primary symbol was the eagle to which the Roman legions would ascribe to their standards with the eagle and thunderbolt. In Jewish tradition, Jupiter is ascribed to the Messiah and often called the 'King Planet'.

Saturn

From ancient times, the word for the planet Saturn was Helios, the word for the 'sun'. This Planet has been associated with Chronos. In ancient mythology, it was depicted as a 3 headed entity or as a serpent coiling up on the 'world egg' as to allude to a birthing of a new time or 'Age'. Because of this association, it later on got eclipsed with a Titan named Cronus alluding to the god of time, Aion or Father Time and the Reaper of Death. It was believed before the Flood and/or during the Atlantean world, Saturn was much closer to Earth and thus was considered the 2nd Sun.

The Witness of Virgo

Semitic civilizations referred to Saturn as god "El". The supreme deity was represented by a black cube as in the Muslim Ka'aba. In another forms and rituals ascribed to Saturn, it became associated with Satanic worship; the feast of *Saturnalia* or Christmas that involves the sacrifices of victims to Satan. The horned deity Pan represents Saturn to this day. This half-man half-goat 'beast' is considered one of the many depictions of Satan. According to the work and research of E. W. Bullinger, *The Witness of the Stars*, Bullinger asserts that the constellation Virgo is the first in the series of prophetic celestial witnesses of the cosmic storyline of the Zodiac. It is believed that YHVH has placed in the heavens these Signs to testify of the Plan of Redemption in the person of the 'Promised Seed of the Woman', that is the Messiah, Jesus Christ.

Virgo, based on the name association and meanings with its composition, speaks of the Coming One, the 'Branch' with an emphasis on this 1st coming. Leo is the conclusion of the 'Witness' in the stars and speaks of Jesus' 2nd coming right before Lucifer, the dragon is evicted out of Heaven. Thus, Virgo is the beginning of the Zodiac and Leo is the conclusion of the divine celestial 'story'. It is this composition that is embodied in the Sphinx of the Giza Plateau for example.

The Sphinx has the body of Leo and the head of a woman or Virgin; a true composite of the entire Zodiac metaphor combined into one symbol. The Sphinx is also associated with the 3 Great Pyramids of Egypt that have been shown to mirror Orion's Belt and certain alignments of Planets at particular times. Most noticeably, the 3 Planets that 'mirror' the Pyramids' geometry and distance during the September 23, 2017 Virgo sign are Mercury, Mars and Venus. On the September 23, 2017, these 3 Planets compose the same exact 'angle' and distance as the Pyramids of Giza on Earth. They make up the 'crown' of Virgo in the constellation Leo, or as it were the 'Sphinx'.

In other words, part of the Virgo Sign in 2017 has a 'picture' and association with the sacred geometry of the Pyramids. As to its meaning and implication? That is for further research and study at this time. Nonetheless, at least Biblically and prophetically, Virgo or the 'Virgin' starts off the Zodiac or Mazzaroth that deals with the celestial conflict between the 'Seed of the Woman' the Messiah Jesus Christ of Israel and Lucifer as depicted in Genesis 3:15. This is called the '*Proto-Evangelium*'. The constellation itself has a woman holding a branch on her right hand and a basket of corn on her left hand. Virgo comes from the Latin 'virga' as in branch or shaft as in an ear of corn. In the Bible, the Messiah is often referred to as the Branch.

In the Bible, a 'Virgin' or Virgo is defined as being Israel, thus alluding to her 'Seed' as the coming Messiah. This obviously has prophetic overtones as in the 'seed of Abraham' as women do not carry biologically the seed but the men do. This imagery is full of prophetic connotations, foremost that the Messiah would come forth from a Virgin as Isaiah 9 predicted. It also has a connotation to the Bride of Christ. Virgo contains 110 stars, one of the 1st magnitude, six of the 3rd; ten of the 4th, etc. The brightest star in Virgo (α) is *Tsemech* in Hebrew. There are twenty Hebrew words translated 'Branch', but only *Tsemech* is used exclusively of the Messiah.

One of the key stars in Virgo is *Al Zimach* in Arabic, which means the 'Branch' also. This star is in the ear of corn which she holds in her left hand. Presently, the same star's name comes from the modern Latin name, Spica, which means an ear of corn. Spica alludes to the harvest that the Messiah or Branch will procure as He comes forth from a Virgin, birthed and raptured to Heaven awaiting His enemies to be made footstools. In the meanwhile, there is conflict with the Dragon. It is Lucifer who is making war with the 'Woman', be it Israel and/or the Church to destroy them until Christ Jesus returns at His 2nd coming.

The Revelation Sign: 2017

At that time, Jesus will come as the Lion of the Tribe of Judah to conquer, vanquish Lucifer progressively out of the Heaven, the 'Air', Earth, to the Bottomless Pit and eventually to the eternal Lake of Fire. As noted, precisely on only 4 occasions since 2000 to 2025 will the Moon have been or will be under the Feet and the Sun in the Head regions in Virgo but not unlike the composition that occurs in Virgo sign of 2017. Yet out of all the years, only on 3 occasions has a 'birthing' type occurred, as with a planet and only one planet is associated with a serpent symbology is Saturn in 2012 and 2017. In 2012, Saturn was 'birthed' out of Virgo and in 2017 and Saturn will be in the sign of Ophiuchus-Serpens. Out of these 3 planet 'birthings', only the one occurring in 2017 is when the Moon is under the Feet and the Sun 'clothes' Virgo with the Sun.

Saturn is indeed associated with a 'dragon' or serpent as Saturn is at Ophiuchus/Serpens just above the Ecliptic. The consideration of what is under the feet will constitute having the Moon directly in the vicinity of the feet of Virgo, above the Ecliptic. What constitutes a 'birthing' is when a planets traverses in-between the legs of Virgo. What the 2017 Virgo sign has in terms of differences from the other 4 Virgo signs of 2001-2015-2018-2020 is that Jupiter is 'birthed', not Mercury or Saturn. Jupiter is 'Birthed" on September 9, 2017 to be precise in Virgo.

Lastly in 2017, there are 2 interpretation of how the 12 Stars could be counted. The 9 stars that are in the Head of Virgo itself. The stars of Leo which are 9, plus the 3 planet alignments of Mercury, Mars and Venus to make a total of 12 'stars' on Virgo's 'head'. Thus all 3 constellations, Leo, Virgo and Serpens-Ophiuchus could be a continuous 'Sign' linked together by astronomical symbology exactly depicted as in Revelation 12. If the Revelation 12 heavenly sign of the Women with the Sun, Moon and Stars does correlate to the 2017 alignments, then the 'Sign' itself is prescribing a possible Rapture scenario to take place before the expulsion of Lucifer occurs.

The Bible teaches that Lucifer still has access to the Civil Court in Heaven, as the Accuser of the Brethren. Soon thereafter, there will be an all-out Satanic assault in Heaven, a 'Celestial War' by Lucifer and his Fallen Angels but will be cast out of his current authority as the 'Prince of the Power of the Air'. This Celestial War perhaps will mirror and perhaps follow after the Psalm 83 War or the Gog-Magog evasion of Israel as Ezekiel 38-39 describes. As noted, it is interesting that when the Rapture does take place, it will be in the 'Air' the very territory of Lucifer that the LORD has not only redeems his Bride, His Church, the Earth, all of fallen Creation but the very territory that once Lucifer had dominion over.

The Tribulation period is all about 'wrath' or judgment befalling on Lucifer and his kingdom on Earth, not the Church. A theory presented here for this study is one that has not been given much attention to. The theory is that possibility, the *Year of Jubilee* could correlate to the start of the Tribulation Period. The *Year of Jubilee*, by some calculations, would start on the New Religious year that would correspond to the Jewish year 5776, the 'Year of Light' and as in 1776 with the ringing of 'freedom and liberty'. This notion couldn't be further from the truth with respect to what is coming Biblically.

The Rapture Zone

It will initially be composed and presented as the possible New Age of Peace once the Earth will have been rid of the Christian Church by the Rapture. On the contrary, through deception, it will be a 'false' peace to trick Israel into accepting the AntiChrist as the long-awaited Messiah of Israel. For the purposes of this study and based on the patterns presented, the illustration will assume that the Confirming of the Covenant is with the AntiChrist and a coalition of other nations that lasts 7 Years, but the designated dates are speculative. The 2nd aspect of this theory is that the Ezekiel 38 War will ensue after the Psalm 83 War. There might not be a prolonged gap in-between these 2 major regional wars still to be fought over for Israel.

This notion is primarily ascertained due in part to the Tetrad of 2014-15. The Tetrads pattern occurs on the Passover and Tabernacles feast days have always marked a great prophetic fulfillment concerning the nation of Israel. The Ezekiel 38-39 War, in which the coalition is led by Russia and the outer-ring Muslims nations will nonetheless be thwarted supernaturally by YHVH. This will get Israel's attention as they operate on 'Signs and Wonders'. Perhaps this time window of 5776 corresponds to the possible start of the 7-Year Tribulation period at some point or soon thereafter as the Bride of Christ goes up while the nuclear exchanges of the Isaiah 17 destruction descend down on Damascus or the Psalm 83 War starts.

Then the inner-ring of Muslim confederated nations retaliates with the Psalm 83 War in particular. The AntiChrist would be Confirming of the Covenant ensuring this Peace and Security to Israel based on the supernatural deliverance of Israel by the LORD but takes full credit by his lying wonders. This 'Confirming' would be between Israel, the AntiChrist and with the 'Many' after the Rapture. The time period thereafter could possibly be when the Gog-Magog Ezekiel 38 War would follow thereafter when Israel, having secured a sense of 'Peace and Security' relaxes its guard.

This is based as to how some interpret the End-Times. Also, as some see it, this time could be when the Jubilee Year is proclaimed and a new global digital monetary system 'Mark of the Beast' starts after the collapse of the current financial order. This speculative timeline presented in this study would approximate the 7-Year long Tribulation Period needed to burn the nuclear weapons for fuel in Israel. Perhaps the AntiChrist will take some or all credit for 'saving' Israel supernaturally after the Gog-Magog War. Then at a certain 'midpoint' the AntiChrist will break the Covenant and demand worship as God. He will initiate the reign of terror upon Israel and the world.

The Revelation 12 Virgo Sign patterns, the solar and lunar eclipse patterns, and the planetary alignments in 2017 perhaps have something cosmological about these scenarios. They could be a glimpse as to just how soon the world will see the Rapture of the Church and the last prophetic week of Daniel being fulfilled. Prophetically, what is to follow is World War 3, the Great Celestial War in Heaven, and the Tribulation period. Concerning the Virgo Sign in 2017, it has often been written that the Bride of Christ and Satan cannot be in Heaven at the same time. There have been many excellent papers discoursing how at the time of the Rapture, as the Bride of Christ goes up, Satan comes down to earth.

Adjudication of the Accuser

As noted, the Virgo Sign could correlate to such a point in time that Lucifer is expelled from Heaven as it is depicted in Revelation 12. Thus, many believe in a pre-wrath or mid-tribulation Rapture of the Church because 2017 appears to be the midpoint of the Tribulation. This study suggests that the initial Rapture of the Bride of Christ occurs prior to this event. In the context and language of Revelation chapter 4 the context in the Greek portrays a court room scene. The technical definition of adjudication is the 'legal process by which an arbiter or judge reviews evidence and argumentation.

This includes legal reasoning set forth by opposing parties or litigants to come to a decision which determines rights and obligations between the parties involved.' On closer examination regarding the context of the scene in Revelation 4, John is called up or raptured. By some interpretations, Revelation chapter 4 is the Rapture of the Church of Christ as depicted by the Apostle John's call to '*come up here*'. It would stand to reason that, metaphorically John represent the Bride as he was the only one spared of life and limb not unlike the rest of the Apostles that were martyred. At a Passover table, the order is determined by age. John was the youngest of the Apostles and also the one of whom the LORD said that 'he loved' and we see John resting his head on Jesus at the LORD's Supper.

Now whether this adjudication is before the Bema Seat evaluation of the Saints for the Rewards or after the Bridal Chamber that remains to be seen. Perhaps after such, the business of the Accuser of the Brethren has to be settled once for all. Revelation 4 is the scene of the Judicial Court Room of the LORD. This is where after the Rapture at some point, there is seen the 24 Elders seated with Crowns around the Throne of the LORD.

This study argues that the Rapture, not only serves to unite the Bride of Christ with the Glorified Christ, but that it will serve to adjudicate the Bride and pronounce the sentencing upon Lucifer. This sentencing constitutes the Seal judgments read by Jesus. This fallen Cherub Angel, Lucifer who is that dragon, Satan is currently operating as the '*Accuser of the Brethren*', in legal terms. The Rapture will thus also serve to legally, once and for all adjudicate the Bride and pronounce judgment against Lucifer; to expunge Lucifer from the Courts of the LORD eternally. But for this to happen, the Defendant or the 'accused', the Bride, the Saints of the Most High God collectively has to be present to witness the sentencing by the Groom, Jesus.

It is the risen and glorified Jesus Christ as now Judge that will officiate this pronouncement or adjudication against Lucifer in the Celestial Courtroom. In fact, it will be the very Judge Himself, worthy that will break the Seals and open the Scroll of Judgment against Lucifer and the world because of He alone overcame sin, death, and Lucifer at Calvary. It is Jesus alone that has the keys of Death and Hell. In one aspect, such a judgment against Lucifer is for the mistreatment of Jesus as He was sentenced to a torturous Cross and for His People throughout the ages. Jesus will hold the world accountable for such gross barbarism of torture, discrimination against His People, and martyrdom of millions that constituted His Bride.

Because of the shed blood of Jesus on the cross, sin was paid for then. Humanity was not only redeemed then and there, but the LORD provided beyond measure the Sanctification and Glorification to be had at the time of the Resurrection and Rapture or the 'Blessed Hope' as it is referred to by the Apostle Paul. At the time of the Rapture, it is when the Glorification is given out in proportion to the degree of Sanctification at the Bema Seat of Christ.

When the Bride then sits around the Throne, it will be time to fulfill Christ's words of *John 12:31* that *'Now is the time for judgment on this world; now the prince of this world (Lucifer) will be driven out.'* Thus, the Accuser, Lucifer and the Accused, the Bride have to be present for this to happen. It may be the time where *Psalm 23* states, *'You prepare a table before me in the presence of my enemies'* and from *Revelation 3:9-10* *'I will make those who are of the synagogue of Satan, who claim to be Jews though they are not, but are liars—I will make them come and fall down at your feet and acknowledge that I have loved you. Since you have kept my command to endure patiently, I will also keep you from the hour of trial that is going to come on the whole world to test the inhabitants of the Earth.'*

At that time, the Bride as the Defendant having been vindicated by the Blood of the Lamb, the Judge Himself will thus begin to pronounce judgment on the Accuser of the Bride, Lucifer. Thus the commencement of the breaking of the Scroll of Seals is only done and can only be done by that person that, as a perfect genetic human, never sinned and has the legal right and authority to do so, the 2nd Adam. In fact, it has to be of a royal authority, that of a King. Thus, Jesus Christ having no sin and having died in place of Adam's race took the Wrath of GOD upon Himself.

Jesus bodily rose from the grave and now has all power and authority to break the Seals and execute the Wrath of GOD and of the Lamb as a human man not only on Lucifer but the wicked world that has chosen to follow his ways as *John 12:31* states. As the Bible states, what the Enemy meant for evil, YHVH uses it for the good. The very instrument of death, the cross that Lucifer thought would destroy the Son of GOD and His Plan of Redemption was the very instrument used to instead destroy Lucifer, sin, death and evil.

This is one reason why Lucifer loathes Humanity, because it took 1 human to seal his demise. Once the breaking of the Seals begins, many believe it will be the time that will correlate to the literal Tribulation period. The typology of event that suggest the breaking of the Seals having occurred are just types and forerunners. Regardless, at some point, the physical and permanent expulsion of Lucifer from any access to the Heavenly portal of Glory will occur. This is when in *Revelation 12* Virgo Sign perhaps depicts the actual event unfold.

This study suggest that it will be that last ditch effort on the part of Lucifer and his angels to attempt on last fight as he and his angels are expelled and thrust down out of heaven to the Earth. If the Virgo Sign of Revelation 12 that occurs on September 23, 2017 is any indication that this will be the time when the 'Dragon' will be cast down to the Earth physically and go make war with the Remnant of Israel, then there is a valid argument to believe that the Rapture happens before such an event. Until that time comes and in the meanwhile World War 3 is about to start, as the Bride is to be Raptured to escape the coming Trail upon the world.
