

## *Welcome to Mediterraneo!*

*From this moment on you are a member of our big family. Turkish people are well known for their hospitality, which is one of the cornerstones of their way of life. The moment you step into a Turkish home, you become that home's guest and the host will do their very best to make you happy. They open their home to every guest with a smiling face, and with all their sincerity give the best seat and cook the best food for their guest.*

*This is something we learned from our family and workplace traditions, and is a mix of respect, dedication, and love. Dictionaries define hospitality as "the friendly and generous reception and entertainment of guests, visitors, or strangers". In Turkey and at Mediterraneo, hospitality goes far beyond this description.*

*We at Mediterraneo feel that this is our home and we want it to be your home during your visit with us. You are our Guest, and we will look after you, doing everything possible to please you. Please, if anything within our service is lacking or causes dissatisfaction, ask to speak to the manager right away and we will work to resolve the issue.*

*This unique combination of the two varieties results in a wine with a bright golden yellow colour and an intense aroma of pineapple and citrus fruits, combined with hints of aromas of tobacco and green apple. It is a full-bodied wine, well structured, with a balanced acidity, and rich in the mouth, with a long aftertaste, dominated by hints of citrus fruits and vanilla.*

*The noblest indigenous variety of Greece, Agiorgitiko (Nemea grape Variety), in its fresh version... It is a bright full bodied wine with a deep red colour and a velvety taste. Quite complex for a fresh wine, with soft tannins and attractive intense aromas of cherry, red berries and vanilla.*

**Canyon Oaks Merlot ..... \$6.5/\$22**

*California- Rich and stylish flavors of plum and berry are complemented by a touch of nicely integrated oak. Fresh and fruit driven, this is an easy drinking red with a smooth and silky finish.*

**Lodi Pinot Noir (Sommelier Choice)..... \$8/\$32**  
*Pinot Noir is light & crisp with aromas of sour cherries, cranberries, & just a hint of smoky herbs that lead to mouth filling flavors & tannins that complete with a lingering sweetness in the aftertaste.*

**Altitude Cabernet Sauvignon .....\$6.5/23**

*A wine with finesse. The rich varietal minty blackcurrant nose and flavor are supported by a palate that is smooth and flavorful. Generous acidity and firm tannin give the wine a clean strong finish.*
