### Emergency Medical Responder, EMTs, and Advanced EMT: 1. Certification

### a) Initial Certification:

- Letter of recommendation from the Senior EMS Instructor from initial training course (hard copy or electronic with contact information);
- Acknowledgement of protocols, procedures, and policies for Kittitas County, South Central Region, and Washington State (online: http://www.kittitascountyems.org/certification.htm).

### b) Personal Status Change or Recertification:

# MPD OPERATIONAL POLICY #2

- Two letters of recommendation from supervisors in the field of prehospital emergency medicine (hard copy or electronic with contact information);
- Documentation of current continuing medical education and skill maintenance requirements (if applicable);
- Documentation of current Special Skills, when applicable; and
- Acknowledgement of protocols, procedures, and policies for Kittitas County, South Central Region, and Washington State (online:

http://www.kittitascountyems.org/certification.htm).

### B. ALS Protocol / General Knowledge Exam Guidelines

Under WAC 246-976-920 (4) - In accordance with department policies and procedures, the MPD may;

"(ii)(e) Utilize examinations to determine the knowledge and abilities of certified EMS personnel prior to recommending applicants for certification or recertification."

- Prior to the MPD recommending an ALS provider for certification/recertification in Kittitas County, the provider must pass the MPD approved ALS Protocol/General Knowledge exam with 80%.
  - Two (2) initial attempts will be allowed to pass (test A & test B).
  - If unsuccessful, a third test attempt (test C) will be granted after a 90 day review period for initial certifications and recertifications.
  - If third test attempt is unsuccessful, the paramedic (paramedic applicant) will be required to complete a 48 hour NREMT Paramedic refresher course (or approved equivalent training) within six months to be eligible for one final test attempt.
