INNOVATE YOUR SPACE WITH

Innovative spaces require innovative products.

Our Bayfield and Centuria Collections offer high performance, durability, and cleanability—designed to meet the demands of healthcare, residential living, and commercial environments.

Material Excellence

Thermofused Laminate (TFL) is made using a resin-impregnated décor paper fused to an engineered composite substrate. Edges are finished with PVC edge banding, applied with PUR* adhesive for heat and moisture resistance.

Crafted in the USA

All products are assembled in the USA with high-quality materials and expert craftsmanship, offering high-end durability at an affordable price.

Shared Features

- Shared Shell/Doors and Toe Kicks
- Thermofused Laminate (TFL)
- PVC edge band with PUR* adhesive
- 5-Year Warranty
- Built as one solid piece for cleanliness

Slides, Hinges & Hardware

- Ball-bearing slides with positive stops
- Up to 100 lb. max weight capacity
- Hidden, European-style hinges
- Choice of 3 hardware pulls
- Levelers on all four corners of wardrobes

Bayfield features full overlay fronts; Centuria offers inset fronts—choose the style that fits your space.

*PUR is heat and moisture resistant
