'We are in for a major disaster if it is not curbed--not just for the Natural World, but for the Human World. The more People there are, the more Resources they all consume, the more Pollution they'll create, the more fighting they will do. We have no option. If it is not controlled voluntarily, it will be controlled involuntarily by an increase in Disease, Starvation and War.' -Prince Philip, 1981.

The purpose of the study is to consider the Astronomical configurations that led into the World Climate Change Council in the Fall of 2022. But precisely, what if any occult innuendos, and some even being prophetic might be signaled in the Planetary Array that 'decorated' the Constellation of Virgo with this respect. Why Virgo? In examining the Astronomical events that started to occur on Halloween, October 31 of 2022, one realized that there was clearly Celestial Signaling going on specifically here. And of the nefarious kind, no less from one's following assessment regarding the 2912 Lapalma Asteroid that some pointed out was on the Heels of Leo in conjunction to the Moon on October 31-November 1, 2022.

This Season of 'Holy' or rather Unholy Days for the Luciferians are a High Watch time for them. After all, November 1 is the Day of the Dead, etc. They capitalize on the Celestial Array to amplify their Evil Plans and synchronize their Earthly Meetings, Conferences, Councils and ultimate decisions accordingly. Remember that the Enemy uses the same Celestial Motifs for their Evil Purposes and Plans, in this case, the Revelation 12 Sign. There is always a Duality in play with such Celestial Signs. Case in point is Virgo, a euphemism of 'Mother Earth' Birthing their God, Mercury in this case.

And no coincidence that the World Climate Change Summit is tied to this endeavor. It was a Call to gather the Great Climate Council. It is any coincidence that from Halloween to November 12, in Glasgow, Scotland there is to be the World Climate Change Summit. And it ends the day after 11-11, all initiated by the 'Birthing' of their 'God', Mercury on the Day of the Dead? Yes, in 1 sense, Mercury is the Messenger of the Gods and can be seen as a 'Benevolent Herald'. And in some interpretations, even like that of the Angel Gabriel, etc. Who is the God, Mercury? To the Luciferians, he is the embodiment of him who give control and power over the following on Earth.

-Media

-Medicine

-Magic

-Money

-Music

Controllers of the World

Any coincidence that the Power-That-Be that are in charge, are given command over all the key 'Gates' to control Humanity with? And now they are meeting to finalize and shore-up their coming Reset, of their Money, their Economics done through their Magic, Media manipulation of the Masses and through their Medical Devices. Well, one vetted out that 11-1-21 Moon-Lapalma Asteroid Conjunction on Stellarium and replicated the exact overlay of what was presented as being significant based on what is concurrently happening with the Volcano eruptions and dangers in La Palma Island of the Canaries. Here is one's opinion. See Chart for illustration and comparison in the Endnotes.

The Moon was indeed at the Hind Leg of Leo, now, precisely on Hollow's Eve. But the Lapalma was not. The problem? It is true or will be depending on one's position on Earth at the time of such conjunctions. From one's Western Hemisphere perspective, the Moon was to be at the ahead of Virgo on November 1. What the graphic shared by God a Minute depicted the Moon-Lapalma Asteroid Conjunction on 11-1 or November 11 in Leo still; which was true, if one will be on the Eastern Hemisphere. And this is evidence of a 'Globe Planet' Theory, by the way. As one can see on the Chart and with modeling this for oneself, if one has Stellarium, one will see that on November 1, the Moon was at the Head of Virgo and not conjoined with the Lapalma Asteroid.

Now, yes, the Moon, naturally passed the Lapalma Asteroid as the Moon is traveling faster, from Earth's perspective. But when the Moon actually conjoined with the Lapalma Asteroid, it was still October 31, from one's perspective here in the West. Now, in stepping back and taking at the bigger Astronomical Picture of what this Moon-Lapalma asteroid signaled? It was what was to occur in Virgo, a 'Birth of the Medicine God, Mercury. It was no small insignificant Astronomical Event, and Occultic Innuendo. A lot is going on right now in Virgo and is key to consider who the Celestial Array, at this point in time is 'Signaling' a 'Birth' of. Oh whom? Mercury. Why?

It is reminiscent of the Revelation 12 Sign. But take note that it is in reverse fashion in that in this 'Birthing' of Mercury, the Sun is at Virgo's Feet and the Moon is at her Head. And? This would add to the supposition of how the Enemy inverts all that is True, Holy and Good, etc. Well, this 'Birthing' of their God Mercury took place exactly at 12 Noon, Universal Time in the 'Womb of Virgo' on November 1, the Day of the Dead. Coincidence? Not likely. So, what is being 'birthed'? That is the question.

Nothing good for sure as it is coming from these Luciferian Globalists whose God is Mammon, Music, Medicine and Messaging. They control it all. Now, given this depiction, especially with the Crescent Moon in the Head of Virgo, this is an Ancient Motif for the depiction of 'Queen of Heaven'. It is used in every culture, that of the Pagan Cults, ascribed to the Moon Goddess, Mother Earth, Gaia, Isis, Esther, Diana, 'Mary' of the Romans, etc. And is not the Globalists Aim is to 'Save' Mother Earth from Humanity? How? Oh, simple, kill off as many Humans as possible. Hello COVID, perpetual Lockdowns, Famine, no Food, Farming, etc. That being said, one has seen images of Galadriel, from the Lords of the Rings. Now, the imagery most prominent of Galadriel was when she appeared with a Crescent Moon/Eclipse next to her head.

Lady of Light and the Crescent Moon

What one wishes to note is the similarity of such a 'Galadriel' image and 'Signaling' with what occurred Astronomically in Virgo on Hollow's Eve and the Day of the Dead that birthed the 'God', Mercury. And how on such a day, the Great Climate Council to Save 'Mother Earth' was summoned. Coincidence? Not likely. And saved from whom? Humans. That is what was being depicted as an Occultic Prelude. Does this or will this have something to do with the ushering of their AntiChrist? It is on purpose and they are 'Signaling' something for sure. What did Galadriel stand for or does that was a pivotal point in the Tolkien storyline? Galadriel summoned the Great White Council.

Nonetheless, one just wanted all to see the Celestial Picture of what was being 'mirrored' above in Virgo or in this case, 'Galadriel' on October 31, 2021, on Halloween and the Day of the Dead, etc. Or because of what was Above, that was mirrored down on Earth? One knows, for sure that the Luciferians use such Astronomical Conjunctions, 'Births' and Timing to move their 'Chess Pieces' on the board of world Agendas. So, Something Wicked comes this way. In reaching the origins and characteristics attributed to Galadriel, the Lady of Light, it is consistent with the Ancient Teachings of the notion of 'Sophia', or Wisdom. Realize that having such Celestial Motifs play-out in Virgo are then very much appropriate and in line with such Gnostic Teachings. Why?

In both Astronomical and Astrological Nomenclature, Virgo is understood to be the Sign of Prophecy. One of Virgo's prominent Stars is called Porrima. It means the 'Goddess of Prophecy'. Thus, this is why to the Luciferians, the key Celestial Arrays that configure in Virgo are very important and speak of events so come. It is why also the Revelation 12 Sign of September 23, 2017 was 'Prophetic' in this respect also. In considering the Motif and association to the Silver Lady of the Crescent Moon, Galadriel, it is an overture of the White Light or that which the White Witches espouse and argue are only evoking through the power of such Magic for 'Good'.

One's take-away then? It is rather interesting that Galadriel was such a Woman of Prophecy that summoned the Great White Council. According to research, one could make a case that in the present iteration on Earth, concerning this Celestial Array, the Virgo Sign of Prophecy summoned the Great White Brotherhood that is really the United Nation's Climate Change Conference. How so? If one does research on the origins of the U.N., one will be shocked to find out its true Luciferian foundation and its 'White Powers'. It was founded on the principles of the Great White Brotherhood and teachings of Alice Bailey and Helena Blavatsky.

In modern times, it was Helena P. Blavatsky who expanded the teachings of Eckartshausen's ideas in her 1877 book, *Isis Unveiled*. It was dictated by Demons but she called the 'Revealers' of her teachings the 'Masters of the Hidden Brotherhood'. And the inference to 'White'? it is plainly stated that it is White Magic. Such were stepped in what is called Theosophy with ties to the New Age, Mother Earth Worship and supported all by the Powers of Lucifer. To this day, the main printing of all U.N. Material and Publications are done by Lucis Trust. This used to be called Lucifer Trust. And why a rush to connect the U.N. Climate Conference with all this Occultism?

A Coming Cleansing

It is the same People at the top that... are one in the same that have and plan their Global Agenda, based on their 'Religion' or Worldview. The problem? They get their Protocols from Lucifer, Fallen Angels and Demons. However, to them, they do not see them as such. But realize that the 'White Councils' are nothing more than modern day Covens that have publicly stated and admit that they have had 'contact' and are instructed with their Teachings in their Fellowship with Lucifer, Fallen Angels and Demons. So, it is rather hypocritical, that this type of 'Religion' and 'Revelation' to supposedly benefit Humanity and be its Savior is espoused and being presently shoved down everyone's throat. How? Presently, through COVID to bring about their Agenda 2020/2030. But the Tenants of the True Religion and Plan of Redemption and Salvation only found in Jesus are to be banned.

According to Research, what is going on here on Earth, mirrored in Virgo with the 'Birth' of Mercury is what the Great White Brotherhood is all about. The Great White Brotherhood, is a belief system based on Theosophy and a derivation of New Age. The Members of such a Religion or Council, White Brotherhood are said to be guided and taught by 'Perfected Beings' of Great Power who spread Spiritual Teachings through Selected Humans. This is really akin to the Doctrine of Demons the Bible warns about of Seducing Spirits and the like. One is to rather Expose them and Pray against their Evil Plans. The Members of the Brotherhood are known as the Masters of the Ancient Wisdom, the Ascended Masters, the 'Church Invisible', or simply as the Hierarchy. They admit that they common with such Masters as the seek to help 'save' Humanity from itself. This echoes the Genesis 3:15 contention of a Woman, i.e., needing to give birth.

And what is their 'White Council' solution? A 'Cleansing' of the Earth of such Humans that are in the way of having all that Humanity can achieve, 'Godhood'. Where has one heard this before? Oh, yes, in Genesis with the Serpent of Light and the Woman, Eve that was beguiled into seeking or being 'Sophia', the Woman of Light and Wisdom, i.e., a Galadriel. And how then, their origins come from the time of the 2 Trees. This is a clear Biblical throwback to the Garden of Eden that had those 2 Trees, the Tree of the Knowledge of Good and Evil, and the Tree of Eternal Life, etc. So, on 1 level, the Motif of Galadriel is strongly associated with Eve as much the Revelation 12 Sign was and is to the Constellation of Virgo. The point is that those that run the U.N., and the World have this as their Religion and are about to forcibly 'convert' everyone as much as possible. It is AntiChrist Spirit at the core. Research Agenda 2020/2030.

According to research, such Councils like the U.N. Climate Change one are how the Secret Societies gather to implement their Nefarious Plans. Realize that at this level, such Humans consider themselves to be above the rest of the Masses of Useless Eaters in the World. They consider themselves Demigods of enlightenment given by Lucifer. And with good reason as they are bestowed to them, the 'temporal' Powers of one rendition of Lucifer, their God, Mercury. Such operate above the Law and under the cover of 'Saving Humanity' to destroy it. When in fact they are plotting behind the scenes on how to curtail it. And more importantly and sinister, is to thwart the success of Jesus, the true Light, and those that follow Jesus, not the Cosmic Christ, etc.
