CRUSADER COMMUNICATIONS

It's a great week to be a CRUSADER!

Can you believe we are only a few days away from one of our best events of the year...the DeCampos Dinner! Ali Robinson and her committee have been working tirelessly to make sure that this year's event is like no other. I want to make sure to state it now how appreciative I am of their dedicated time, patience and unwavering dedication to SRM and all that it stands for. Without the support of our community, our students would not be able to be in the Lord's presence while learning each and every day. In support of this major event, please make sure that you have sold all of your raffle tickets and sent in the ticket stubs and money collected as soon as possible.

As a staff, we have been busy getting our STAR testing completed with this being our last week of the two-week testing window. This past Wednesday, the staff came together with officers from the Hanford Police Department for a presentation on "Violent Critical Incident" preparedness. It was a great presentation, many great suggestions given, as well as, questions asked to ensure that we are all on the same page if we should ever have to protect our students and staff in a critical incident. We all felt we walked away with great knowledge and insight to the things we already have in place and areas of minor improvements due to changing ways of reacting to these types of situations, or our facilities. We will be reviewing much of this information with you, and your students in the days to come.

Again, thankful for all of what God has given each and every one of us and the good things we are doing together to see that the students of SRM are the best prepared for the world in faith and knowledge!

Blessings to all for a wonderful and exciting week,

Mrs. Hodges
