## **The President's Bark** by Joan Kaml

As I sit here and put something together for the newsletter, spring is outside. Can't believe the beautiful weather, but I think we deserve it.

WWCDTC has been busy since the last newsletter. I hope members have had the chance to participate in them either by showing their dogs or helping in some manner. We have an awesome group of members who always give of themselves for these things.

The Annual Banquet was again a wonderful evening. With 90 plus people there, plenty of food and drink, you couldn't help but have a good time. Joanne Peck again put herself out to put together a fun night of the wild west. A big thank you goes to her again for this year's event. Also to those who helped her decorate on Saturday morning, as I understand there were some 12 people there and it sent like clock work. Also, those who got certificates for their accomplishments during the year. There were some 45 of those handed out to deserving members. I know there were more, but if you didn't turn one in, we can't make a certificate for you. So keep track of your accomplishments in 2017 and turn them in with a picture of your dog at the end of the year. It is fun to see all the stuff our members get into with their dogs.

Thanks also goes to Donna Schmitt for the January BRDC UKC Agility Trials and Anne Millane for the February UKC Obedience/Rally Trials. Both these events were well attended by exhibitors and great things happened. Club member Chris Getter Was the big winner on Saturday with a 200 score on Chili for High in Trial and a High Combined with open/utility. Then her Brody got High in Trial on Sunday. Thanks too to Barb Drake for the great food and Jay and Joanne Peck for serving it on Sunday.

WWCDTC is an active club. Always something doing it seems. So if you want to volunteer for something that is great, as help always can be used.

Joan

## From The Vice President

*My ear was twisted by some members the other night about an issue that we seem have at the club right now. It seems to be the impression that we are a divided club. We have the upper level training group and the Monday night group. I certainly hope that this is not the case. We are one group, **The Western Waukesha County Dog Training Club**. Each groups serves a vital role in the operation of this club. While each group works with a different group of dogs and dog trainers we are one group in total. I heard that some of the people that come up from the Monday night programs are not treated very fairly when they come to other nights during the week. They are questioned as to why they do things and how they do things. Just because they do things differently than you do or would teach it doesn't mean it is wrong. If it works for them great. We need to understand that these people are the future members of this club and if they are not treated with respect they will not join. We can't afford to lose any potential members. The two groups, yes I know are totally different, but there is a lot of carry over between the groups. Each group teaches the dogs to sit, down, and come. Each group can learn from the other. Nothing would please me more then to see these groups come together and help each other out. I know everyone has heard the horror stories about Monday Nights that is loud, a lot of unruly dogs, and a little bit chaotic. That is true for probably the first 15 minutes of the first night of class but then everyone starts settling down and gets adjusted. You need to understand that a lot of these dogs that come into the Monday night classes have never been in that setting before and of course they are nervous and a little hyper. If you would see these dogs week one and then again week 6 you would see a remarkable difference in most of them. I highly encourage you to put aside your prior thoughts about Monday nights and come out and see the great job these members do with these dogs.*

*Of course this goes both ways. Monday night instructors you need to come and see what happens the rest of the week also. They do some remarkable things then as well. You have your CGC, enroll in a prenovice class. Even if you have no intentions of every showing your dog this gives you time to work with them and strengthen the bond you have with. Who knows you might even pick up a few tips you can take back to your class as well.*

*We have a truly remarkable club, we hear it all of the time during our trials. But we can be better, if we all work together as one and help each other out we will get better. Just because you only teach open or utility doesn't mean you couldn't help a beginning manners dog and vice a versa. Please, let's put aside our prior thought about the other group and work together and make this the best dog training club in the country!*

# Wagging Rights! *Continued from pg. 9*

UUDX2,URX2,UROG,UGOCH Konstantin SMG of Holli B Farm UDX,OM1,RE

I got Smudge because I thought it would be different to train a small dog. A woman that trained with our group Papillon was expecting a litter soon. I put an order in for a female. When I went to see the puppies I fell in love with the only male Smudge. At the time I had a Chihuahua named Annie that I had recused a six year earlier. They became immediate close friend. I started training him at 12 weeks and the rest is history. I was amazed how nice it was to train such a willing worker. As you know my other breed Borzoi not known for being willing workers. Smudge has been my companion for almost 10 1/2 year. He have been training partners with 4 different Borzoi. He earned his UGOCH title at the UKC trials at WWCDTC on Feb. 19th  
~Karen Haberkorn

**Jen Effler-Leveille** was super busy in 2016!

Bumper, RO2 AG1 AKC/UKC CH Powderhound's Silver Lining WWPDX WTD WPD CGCA RAE NAP OJP OFP VAM AAAM earned his RAE, RO2, NAP, and AG1 titles. His RAE scores qualified him for the AKC Rally National and he will be competing there this spring. He also took High Combined Score at all breed trials twice and once at the Regional during the Malamute National.

Lucy, RO2 UCH Powderhound's Blaze of Glory WWPDX WTD WPD CGCA RE VAM AAAM ROMWDA earned her RO2, ROMWD, and ROMWDA. The last two are Register Of Merit titles offered by the Alaskan Malamute Club of America for having produced 4 or more working titled offspring at those respective levels.

GP, Powderhound's Show Me The Way WWPDA WPD RN CGC earned his WWPDA and WPD. The first is a working weight pull dog advanced and the second is a basic backpacking title.

Nellie, AG1 Powderhound's Over and Over Again WWPDA WPD RN earned her WWPDA, WPD, and RN in 2016. Her scores qualified her for the AKC Rally National same as her father Bumper. Unfortunately she did not get in due to the limits. She completed her AG1 title in 2017 already at the Bark River UKC trials.

Nellie is the little malamute from the Bark River trial photos coming out of the chute in the photo that comes up for the website on Facebook. If you were given pictures of other malamutes, the big light grey one with the pointier face is named Quinn, AG1 Powderhound N TwoMoon's Jump For Joy WWPDA OJP and his owner is both a club winner and new title earner from that weekend in AG1. Owners Jackie and Dave Yahn. The dark grey and white from that trial is Bumper.

Layla, Powderhound's Woo The Masses WWPDX OA NAJ NF RN ROMWDX earned her RN, ROMWDA, and ROMWDX in 2016. Her Rally scores qualified her for the AKC Rally National as well. At 9.5 years of age I took her into the ring having only worked with her myself 5 minutes (her primary owner plays obedience games with her) and she completed her title at the Malamute National. From there, she ran outside and competed in the Malamute National weight pull where she was 4th in a large class, also handled by me. She was older than the other dogs in her class by several years and I think the only female. Earlier that week she'd taken 2nd in the Malamute Regional weight pull.

And a black ribbon: We lost Vinnie, Powderhound's My Cousin Vinny WWPDX WTD WPD WLD CGC on December 30th. Most probably won't remember him because he only took a few classes but his littermate was Ikey who did agility and rally. Vinnie was the first puppy born into our kennel. He was a Gee-Haw leader (hard to get in Mals) and I could trust him to be loaned out to other people for sledding. He also was the first adult who wasn't 'mom' that any puppy ever met because he was so gentle and sweet to them. He was an obedient dog until he got into a class, then he always pretended he'd never heard the word 'sit'. The difficult ones make us better trainers and I won't forget him. 3/30/2005 ~ 12/30/2016.

From Harry Beggs:

*Feb 19, 2017: K-9 OTC of Menominee Falls Barn Hunt Trial*

*Regatta Rose CDX TD RATM, Australian Shepherd, earned first place in Trial 1 in the Master class. Then in Trial 2, she place second in the Master class. This was her 5 & 6 qualifying score for her Barn Hunt Championship ( need 10 Q's).*

On Saturday February 18 at the UKC Trials at our club , Chili earned his first perfect score ever with a 200 in the Open B class. He had High in Trial and High Combined. In the second trial, Brody had High in Trial with a 199 1/2 in the Novice B class and Chili again had High Combined with a combined score of 394. However on Sunday, to keep me humble Chili NQ ed 3 out of the 4 classes he was entered in. That's why I love him, never a dull moment . Brody wasn't entered on Sunday so he couldn't embarrass me.

*Just a few updates about training and Monday night program. After the rough start we had to the first session of classes on Monday night I think everything worked out very well. Thank you very much to all of the instructors, assistants, and everyone else that helped. Attendance was down a little but I think that probably helped us a little. Had a couple of rough spots on the start of this session but we will get those worked out be back to the smoothed oiled machine it was last year. I am pleased to announce that we have added three new assistants to the Monday night training group. **Sandra Perkins, Teri Strohshein,** and returning member **Sue Knox** are all volunteering their time during the next session. If you are interested in assisting on Monday nights please get in touch with Tara and she get you signed up to help someplace.*

## From The Director of Training

Hi Everyone:

Just to keep you up to date about what the Training Committee is doing I thought I would pen a short letter. We meet on Feb 1 to go over the training criteria that were submitted to us from the groups. They had some very good ideas in their papers. We reviewed them and made a few additions and corrections to them and expanded the scope of each class a little as well. I think we have a really nice basis for the classes to go by from here on out. I will be getting these back to the group leaders for them to review and share with the group members. Once all of this is finalized we will make up either individual class books, or even instructor manuals. There are some really great changes coming to the classes and I am excited to get them going. My goal for this is the fall session.

We also took the opportunity to discuss a few other topics that are in the very early planning stages. We are looking at making some minor changes to the Monday night classes but want to meet with a representative group of them before we proceed. With the expansion of the scope of the classes we also, along with the board, will discuss changing our session schedule to 3 sessions of about 15 weeks long with some breaks during them. This is in the very early planning process yet and it wouldn't start until next year and there are a lot of details to work put yet. I think this will help out with being able to have instructor meetings, short one night seminars on training techniques, club meetings and we would then also then have an achievement match at the end of each session.

I am happy to announce that we have added 2 new instructors to our group. Karen Johnson who will teach open and the lower level classes and Joan Christensen who will teach Rally, novice and prenovice classes for us. We really do need more instructors all across the board, all nights of the weeks. If you would like to instruct please let me know and the committee will discuss it. Keep an eye out for updates in each of the newsletters and of course if you have any ideas or suggestions please let a committee member or myself know.

Mark

*As the obedience committee member of our newly created Training Committee I plan on putting a short message in each edition of our newsletter to let everyone know what is happening with our Obedience classes.*

*Mark had an instructors meeting on Jan 13. Among other things, we discussed criteria for our rally and obedience classes. We now have the criteria in place. This will be a help to us as instructors to know in what class our students belong and when they are qualified to move up to the next class.*

*On February 10, I met with obedience instructors and some Monday night instructors for a short 30 minute meeting. One of the things we discussed is our need for obedience instructors. I am not concerned with how many obedience titles you have. Obviously you need to be familiar with ring procedures to teach a class. But to me the important skills needed are a willingness to work with and enjoy both people and dogs. I would like to see people who are organized and motivated. I can teach you what you need to know about dog training and I would not put someone in a class until I am sure they are ready. My plan is to give the potential instructor some private training and then let them assist in a class until they are ready to take a class on their own.*

*After our 30 minute meeting we showed a portion of a video by Forrest Micke on how to engage your dog so that he is interested in working with you, This was open to anyone to attend. Many people brought wonderful snacks and the video was over by 8:00 so it was not a late evening.*

*The next instructor's meeting will be on Friday, April 7 at 6:30 pm. We will show a video at 7:00 pm, which will run until approximately 8:15 pm. Again everyone is welcome to come see the video.*

*WWCDTC is an outstanding dog training club with many talented people involved. My hope is to raise the quality of our training classes to an even higher level. We can do that by learning all we can about dog training techniques. Fortunately Mark has ordered many new DVDs that are now in our library. Check them out, skip a night of TV and give yourself a night to learn something new about dog training. Happy Training!*

*At the AKC Board meeting, they approve new rally classes. ~Harry~*

*Rally Program Enhancements The Board reviewed a Staff recommendation to create two additional Rally classes – the Intermediate class and the Master class. In terms of difficulty, the Intermediate class is between the current Novice and Advanced classes. The Master class will be more difficult than the Excellent class. There will be titles associated with these new classes. In addition, a Rally Championship prefix title (RACH) is recommended for dogs that achieve a given number of triple Qs (qualify in the Advanced, Excellent and Master class at the same trial) plus earn a given number of points from the Master class. If approved, clubs may start to apply for events FINAL Pg. 9 January 9-10, 2017 with these new classes on August 1, 2017 for events held on or after December 1, 2017. This will be discussed further at the February meeting.*

*Our January Run-Thru was a success. We had volunteers who needed to be replaced due to sudden emergencies and you stepped up.*

*Callers were Tara Matusiewicz, Anne Millane, Clif Sanders and Harry Beggs. Stewards were Chris and Kaen Mason, Jean Taylor, Sandie Perkins Carole Moser, Maridel Heun and Barb Drake. A big "Thank You".*

*On February 24th, on a night that had unpredictable weather conditions, the following members worked our 4th Friday run-thru. It went seamlessly because of these volunteers; Marlene Unke, Kim Hanna, Jean Jeske, Kathi Liebnow, Sandie Perkins, Lynn Borucki, Chris Getter, Bev Pfeiffer, Tara Matusiewicz. Callers were Maridel Heun, Karen Johnson, Lori Leutner-Boese, and Clif Sanders. A personal 'thank you' from me to you.*
