DUAL
SHADES

DUAL SHADES *by Alta*

design *simplified*

The alternating opaque and sheer linear bands in our Dual Shades are both modern and masterful in their ability to guide your light. Aligned, the solid bands protect your privacy. Shifted, the sheer widths allow natural light and diffused views. Innovative yet seductive? We think so.

Let's go window shopping.

INCREASED BANDWIDTH IS ALWAYS A GOOD THING

...and our Dual Shades Collection allows you to control the bars. The unique design of two panels in a single shade adjust from filtered light to serene privacy with a simple shift. Available in an assortment of accent or neutral hues even Mother Nature would be jealous of.

WHY DUAL SHADES?

- Classic function with state-of-the-art style. Minimalists rejoice.

- Designer fabrics complement midcentury modern or global luxe.

- Manage both the light and privacy of your space with a dramatic flourish.

- Our motorization option not only is the optimal in clean design, but 1st in child and pet safety.

- Keep those powerful sun rays out - and your furniture safe.

IDEAL FOR...

- Retaining the view, but ditching the glare.

- Larger windows with fabrics up to 100" wide

- Filtering those harmful UV rays while protecting your furnishings and fabrics.

- Easy care for environs where your time matters most.

FINESSE YOUR FORM & FUNCTION

Dual Shades – Multiple Options. Fully raised, the view to the world outside is as clean as the design inside. Our Dual Shades disappear within the fabric-covered headrail; add motorization and enjoy unobstructed style with child-safe ease.

FUNCTION

Various window sizes? We know that proportion is everything. With three band widths to choose from, smaller windows keep in scale while larger windows go big and bold. Choices, choices, solutions.

Bands open and shade lowered. Preserves your view while providing UV protection.

Bands closed and shade lowered. For total light control and secure privacy day or night.

Bands closed and shade partially raised. Offers precise light control.

Bands open and shade partially raised. Dual Shades give you function at any level.

Completely raised, shade disappears into the headrail for clear, unfiltered views.
BAND SIZES

SMALL

Perfect fit for smaller windows.

MEDIUM

Great for most standard windows.

LARGE

Ideal for larger windows for the greatest visual impact.

CONTROL AND DESIGN OPTIONS

CONTINUOUS CORD LOOP

Engineered for precise performance.
Cord loop is a constant length.
