## **Business section** – Susan Swab - President

Hello to all League Members,

Due to the unexpected interruption in our lives we have had to change how we present our traditional LWV (League of Women Voters) Annual Meeting. I want you to know the League is still alive and well. The Board has kept in contact via email and has met through conference calls.

Our Board; President-Susan Swab, Secretary-Debbie Haines, Treasurer -Christa Williams, VP Membership - Michelle Gray, VP Programs --Jennifer Bliss, with Phyllis Wright assisting, VP Communications - Phyllis Wright. We also have as Voter Registration Chair - Sally Beckerink, and Nominating Committee - Susan Stout and Annette Sivak.

Part of the business we must conduct is election of officers. The Nominating Committee Susan Stout and Annette Sivak have presented this slate of nominees; Susan Stout for Secretary, Michelle Gray for another term as VP for Membership, and Jennifer Bliss for VP Programs. If there is no opposition to these nominees we will accept their appointment to the Board as well as the budget\* (see next page). Debbie Haines will retire from the Secretarial position, but will continue with the Harvard Project.

We will need a volunteer for next year's Nominating Committee -Susan Stout will Chair, but will need a second chair, who will then become chair for the following year. We also need a volunteer to audit our account.

After reading the reports from our wonderful Board you will be able to see the many activities that have been going on this year. Our hope is members will find our projects interesting and stimulating and will be encouraged to become more active in the League's mission and goals

I personally wish to thank the Board and Members who have helped make this an interesting and productive year.

**MEMEBERSHIP REPORT – *Michelle Gray - chair.*** As of May 31, 2020 membership was 34 members. For 58 years, the League of Women Voters of Warren County's membership has devoted time and effort to the fulfillment of the organization's mission. On October 19, 2019, the membership meeting program featured Yesteryear Productions in an historic rendition of the 1848 Seneca Falls Convention. As we are all aware, that was the beginning of the concentrated effort put forth by many brave steadfast women and men in the fight to bring an end to women's suffrage and gain rights to vote. The league is committed to actively participating in our government as a nonpartisan politically informed entity serving as educators to the community on the topics that matter. Please welcome our newest members Sally Beckerink, Kim Adams, Ruby MacWithey, Bob Sokolski, and student members Amanda Gray and Hannah Johnson. Please recognize our dedicated life members Mary Schorman and Ellen Ruffolo, and 47-year member Mary Conarro. Keep up the good work, you will make a difference!

### **VOTER REGISTRATION – *Sally Beckerink – chair***

The week of September 16, Sheffield, Youngsville, Tidioute and Eisenhower schools welcomed Jane Dunshie, Phyllis Wright, Michelle Gray and Sally Beckerink to classrooms to assist eligible students with the application to register to vote. Lisa Rivett also graciously gave her time, allowing students to operate the new voting machines. In addition, League members presented programs on Gerrymandering, the importance of the census and the scheduled dates for voting. Over 40 students completed the applications for voter registration for the combined fall and spring elections.

The League of Women Voters of Warren County, in partnership with the Warren Public Library, provided voter registration assistance and information in recognition of National Voter Registration Day on Sept. 24 from 10 AM to 8 PM in the lobby of the Warren Public Library.

Thank you to Zonta Club of Warren for supporting the Leagues attempt to provide activities for students familiarizing them with the fight for women's right to vote. Five locked boxes and lock sets were purchased with the money from Zonta. The activities had students reading biographies and passages about the suffragettes and their battles. After reading, puzzles and riddles were to be solved to obtain the codes and keys to the unlock the boxes. Unfortunately, the closing of schools prevented us from visiting the classrooms. The hope is to reschedule in September when schools open again.

### Harvard Case Study Method for Teaching History- Debbie Haines

In the Spring of 2019 we discovered an amazing opportunity for our League to sponsor a county high school history teacher to attend an all expenses paid workshop at Harvard University to learn the Case Study Method for teaching topics in history and democracy. We sponsored Melissa Becker, who attended the Harvard Workshop last August. Melissa returned home very excited to teach her American History class this year using the Case Study Method. She had to commit to teach at least 4 Case Studies throughout the school year and also to present a Community Case Study, open to the public during 2020. The Community Meeting was to take place in April; however, because of restrictions on public meetings due to COVID-19, it is tentatively scheduled for sometime in June and will take place as a ZOOM meeting on your computer, tablet, iPad or phone. We hope every League member will register for the meeting so please bone up on ZOOM (it's not too hard) and wait for an announcement and instructions. If you would like to learn more about the program, there is more information on our League Website at [www.lwvwc.org](http://www.lwvwc.org)

Prior to the event many league and community members gathered in front of the entrance in historical attire and sang and chanted phrases from 100 years ago.

November 2, 2019 – Cynthia Catlin Miller Historical Marker Ceremony took place throughout Sugar Grove. Those attending had the option of touring her home where she welcomed slaves during the days of the Underground Railroad Era. Vote411.org is the “one-stop-shop” for registration forms, voter photo ID requirements, early voting options, polling place locations and more.
