## Adoption Terms &amp; Conditions

37. I understand and agree that Passion For Pets Rescue (PPR) has made every effort to provide an accurate history and assessment of the dog(s). PPR is not able to guarantee any dogs' age, breed, medical status or history, behavior or disposition. I hereby release PPR and its volunteers, directors, members and representation of any and all possible claims arising from injury or damage caused by any dog(s) adopted by me to any person or property or relating to the health or temperament of the dog(s), including any expenses related hereto. \*

38. I understand and agree that my rescue dog(s) comes into contact with many animals and environments before being adopted. They may be exposed to any number of common illnesses or parasites due to overcrowding, stress, environmental changes and transport. PPR has begun proper care for these dogs/puppies, however, sometimes illness can and may lay dormant with NO visible or detectable signs for up to several weeks after arrival. \*

39. I understand and agree that a fecal test on an adopted dog/puppy can show negative results, however, worms/parasites may appear after arrival. Fecal tests can detect parasites but the dog/puppy must have parasites passing/shedding of eggs or segments to test fully positive. \*
