Stay & Play - *an Afterschool Enrichment Program for 3s & 4s*

2018/19 School Year

BHPCNS' selection of Stay and Play classes will enrich and enhance your child's afternoons. Each day, Stay and Play classes will include a play-based, age appropriate, fun and creative lesson, snack, and time for playing in our classrooms and on our playgrounds or in the Rainy Day Room. By participating in these classes, your child will explore and learn about the worlds of art, dance, science, cooking and more.

Stay & Play classes will begin on Monday, October 1, 2018. This optional afternoon enrichment program is for three and four-year-olds and classes are held each day, Monday through Friday, between 12:30 and 2:30. Children transition seamlessly from their classrooms to their Stay and Play class (which is often a different room and teachers from their morning class).

Applications are now being accepted. Class size is limited and we reserve the right to cancel a class due to low enrollment. In addition, all children accepted into Stay & Play **MUST be fully toilet trained. There will be no exceptions.** Acceptance is based upon a first-come, first-served model with the exception of the dance themed Stay & Play. For those applying to the Wednesday Bradley Bear Creative Dance Company, priority placement will be given to those students who are enrolled in our Monday/Wednesday/Friday morning programs.

The first month's and/or semester's Stay & Play tuition payment is due October 1. You may include this amount in your regular tuition check. Make checks payable to BHPCNS. Once enrolled your child is considered enrolled for the entire school year. Bradley Bear's Dance Company and The Artist's Corner are considered semester classes and you must enroll for the full semester. You may withdraw your child from any program by giving the office written notification. No refunds are given for school closings or absences and there are no make-up classes. In addition, no refunds for semester-run classes will be given for withdrawals after the first month of attendance.

BHPCNS' unique selection of classes will enrich and enhance your child's afternoons.

Monday - The Artist's Corner: Painting, drawing, and sculpting take center stage during this class developed by BHPCNS' very own artist in residence, Nancy McCullough, aka Mrs. Mac 'n Cheese. *(This is a semester class.)*

Monday – Wigglin' Wizards: Our little wizards explore the world of science with plenty of hands-on experiments, forming hypotheses and discovering their outcomes, creative crafts, and amazing scientific inquiries.

Tuesday – In the Kitchen with Bradley Bear: We'll be cooking up a storm, learning about ingredients, following directions and doing a lot of "sciencing" as we measure, mix and pour. Oh, we'll also be doing a lot of yummy eating!

Tuesday or Wednesday - Bradley Bear's Creative Dance Company: Our dancers will stomp, leap, and dance the afternoon away while they learn the basics of modern dance, ballet, jazz, hip hop and more as they get ready to entertain us at their recitals. *(This is a semester class.)*

Wednesday - Where in the World is Bradley Bear?: You never know where Bradley Bear will land, but we will have fun in this geography based program exploring the countries, their cultures, their unique attributes, and foods.

Thursday – Bradley's Barnyard: Our little farmers will discover farm animal friends, how to grow crops, explore the seasons of a farm, perform dramatic presentations of their favorite farm stories, and so much more as they become experts in things farm related.

Friday - Yogi Bears: Yoga postures, practiced breathing, games and relaxation will help our little Yogis recharge from their long school week and get them ready to start their weekend.
