

Roxanne Horner Lumsden
Inducted June 26, 2009

Athlete – Class of 1978

Roxanne was among the first female participants in multiple sports for multiple years. She played four years of varsity softball and three years of varsity field hockey, volleyball and basketball. She was a captain of field hockey and softball teams. She also participated in several other extracurricular activities including journalism, ecology and yearbook clubs.

Roxanne was a talented and intense competitor in every sport. She was named a field hockey league First Team All-Star in her junior and senior seasons, a softball league First Team All-Star in her senior season and a volleyball Second Team All star in her junior and senior seasons.

Roxanne was the first Marathon female athlete to compete at the intercollegiate level when she played field hockey for two seasons at SUNY Delhi. She earned an Associate in Business degree and was employed by IBM before starting and operating a retail business with her husband.
