THE JUPITER

This Great Room/Split Plan layout looks and feels much larger than it measures. High, Two-Tiered Windows surrounding the Eat-In Kitchen create a wonderful, open-air atmosphere. A wide, High-Countered Breakfast Bar opens to a central Great Room that in turn, opens to a large Screened Lanai. The Elevated Ceilings in the Kitchen and Great Room also add to this luxurious sense of space.

You'll find attractive Designer Touches throughout, like Arched Doorways and Decorator Niches. A spacious Master Suite provides private access to the Lanai, and the Master Bath offers a full list of amenities such as a Garden Tub, a Separate Shower and a Double Vanity.

Your friends and relatives will also enjoy their privacy in the Guest Wing of the Jupiter. The Second and Third Bedrooms are separated by a Full Bath that includes a convenient Linen Closet.

In addition, this model features a Covered Entry, a Tiled Foyer and an Air Conditioned Laundry Room.
