Questions for search firms

1. How do you identify Superintendent candidates are a good fit for the community and school district?
2. When searching for candidates do you take a proactive (have candidates in mind to recommend) or reactive (recommend from resumes submitted for position) approach.
3. What are your thoughts soliciting on community input during the search?
4. What is your opinion of internal candidates and how does that affect the search?

John's thoughts

1. Wants to lower the bond amount to 160mm wants to do without cutting recommendations from steering committee.
2. Wants to keep tax rate down, and tax as needed
3. OK with using fund balance to pay for projects or as loan to I&S.
4. Does not favor using fund balance to buy down tax rate.
5. His vote for a search firm is Moses and Thompson.
