

Christ's Mini Communique Insert!

If you would like to register for the COVID-19 vaccine on your own or get additional information about the vaccine distribution, visit these websites:

<https://www.vdh.virginia.gov/> Virginia Department of Health – This site will provide you information about Virginia’s plan for distributing the vaccine and eligibility requirements.

<https://vaccinate.virginia.gov/> Pre-register for the COVID-19 vaccine at this site. Everyone should pre-register here even if you continue to seek an appointment through a pharmacy. This is for pre-registration ONLY. You will be contacted by VDH when it is time to sign up for an appointment.

*<https://www.cvs.com/>
This link takes you to the CVS Pharmacy website to sign up for an appointment for a vaccine. These appointments fill up quickly, and you may need to return to this webpage several times to get an appointment. CVS is currently on taking people 65+ and teachers but that will likely change.*

*<https://www.kroger.com/i/coronavirus-update/vaccine>
Kroger Pharmacies in our area are now providing COVID-19 vaccines. Go to this site to make an appointment. These appointments fill up quickly, and you may need to return to this web page several times to get an appointment. Kroger is serving people 65+ but may add more age groups or other categories soon.*

*<https://www.salem.va.gov/>
Veterans and active-duty military who are registered with the Veterans Administration health plan may be able to get COVID-19 vaccines through the Salem VA. Visit this website for more details.*
