ENTRIES

The first video should include the designer, on camera, stating their name and age group and describing their design inspiration and the materials used in the garment. The second video should highlight the garment with a runway walk making use of the model's environment, home, yard, etc. Designers are also encouraged to submit still photos of their design, especially shots highlighting detailed aspects of the garment and any fashion accessories (shoes, purses, etc.) that are part of the design.

Entries should be submitted via email to: ReFashion@wvrecycles.org. Because of email attachment file size restrictions, entrants may have to use a service such as Mail Drop for iCloud, Google Drive or similar way to attach their videos to the email. The body of the email should include the designer's name, age, address and telephone number, model's name (if different from the designer), a description of materials used and organization represented, if any. Entrants must submit a signed designer/model consent form available [here](#) or at WVRecycles.org. All entries will be featured on various related social media as a "Virtual ReFashion Show" in early 2021. Entries successfully submitted by email will receive a confirmation email.

If you are unable to submit via the email above, entries may also be submitted on a data CD, DVD, or USB jump drive and mailed to: ReFashion Show Entries, Recycling Coalition of WV, Inc., PO Box 40113, Charleston, WV 25364.
