STEM Letter Ww	23 Magnetic Play	24 Build with Cups	25 Sink or Float	26 Marshmallows & Toothpicks	27 Fun Friday	
Easter Letter Xx	30 Mosaic Easter Eggs	31 Three Crosses Craft				

Dear Families,

This month we will be celebrating Dr. Seuss Week and have a different fun theme each day. We will also be exploring Science and STEM activities. Our letters are T-X.

We are concentrating hard on our pencil grip. This requires constant reminders and help with finger placement. We recommend using the tri or quad grip when helping your child. A little tip, is have your child hold something small, like a pom-pom in his palm with his pinky and ring fingers. This helps encourage the tri-grip. We are also working on positioning words. ie) Top, Middle, Bottom and Left, Right

Enrollment for the fall has started. Ms. Amy is our 4k teacher and she does an amazing job in getting our kids ready for kindergarten. Let us know if you have any questions about our 4k program.

Please remember that our center will be closing at 4:00pm on March 25th for developmental training.

A few reminders:

1. We do still go outside during the winter if the temperature is above 20 degrees with wind chill.
2. Please dress your children accordingly for the weather. We are very close to the lake and temperatures can be cooler. Feel free to leave a jacket, hat and gloves in your child's cubby.
3. Please dress your child in play clothes. We do use washable paint and smocks, but accidents do happen.
4. Please check the website or our parent board for your child's snack day. www.mdoracine.com

If at any time you have any questions or concerns, please feel free to contact us.

Ms. Rachael
