PO Box 16384 • Austin TX 78761

January, 2021

Mission: to ensure the safety of residents—to preserve the integrity of the neighborhood—to increase the value of homeowner property

NEW BOARD MEMBERS

Great news! Our association is pleased to announce two residents have stepped up and accepted the challenge to serve as the President, Branston Cyphers and Vice President, Cheryl Thompson Price of the Coronado Hills/Creeside Neighborhood Association (CHCRNA.com). We are excited because they are motivated and ready to contribute to the success of our neighborhood association. WELCOME NEW BOARD MEMBERS!

Our 2021 Board will continue the legacy of prior boards while introducing new ideas to ensure our neighborhood remains one of the best places to live in Austin.

The focus of the 2021 CHCRNA Board includes:

- Ensuring information is accessible to all residents
- Maintaining the cleanliness of our community
- Promoting safety throughout our neighborhood
- Supporting local area businesses
- Educating residents on applicable city codes and regulations
- Having more community gatherings (post-COVID)

Your CHCRNA Board members are listed in the **WHO'S WHO** box located at the end of this newsletter. If you see them out and about in our community (or if you wish to send an email), please

don't hesitate to introduce yourself and share your thoughts or concerns. They will be sure to relay your message to the rest of the board because your voice matters!

THANK YOU, PAST BOARD MEMBERS

Over the years, there have been many neighbors who have worked tirelessly and who have served as board members to help our neighborhood remain a tranquil, family-friendly, well-maintained neighborhood...our "oasis," as the Austin police officers once dubbed it. Three such ladies: Ms. Debra, Ms. Bonnie, and Ms. Yuri have worked in almost every capacity to keep our association alive. We are so grateful for their dedication, as well as the efforts of many others. **Thank you!**

MONTHLY MEETINGS VIA ZOOM

Due to COVID, our neighborhood gatherings have been suspended. But, we will resume our monthly association meetings this year via Zoom. You are invited to attend the monthly meetings held on the 3rd Tuesday of each month (details follow). We hope this change provides you the opportunity to safely participate in your neighborhood association like never before!

CHCRNA Meeting on Zoom January 19 at 6:30 pm

The Coronado Hills/Creeside

Neighborhood Association will be meeting via Zoom on *Tuesday, November 19 at 6:30 pm.*

Use the information below to join online:

VOLUNTEERS WANTED

We are seeking volunteers to help with a few things to keep our association and neighborhood activities running smoothly. A few of our volunteer opportunities include:

- Actively participating in association meetings
- Writing newsletter articles or submitting ideas/topics for future newsletters.
- Collecting trash that may litter our neighborhood or reporting unsightly areas of concern

Continued from page 1

- Sharing ideas to promote safety and security within our neighborhood
- Organizing community events (post COVID, of course)

GARAGE SALE/NEIGHBORHOOD EVENTS

Many of you have expressed an interest in having neighborhood events. So, we want you to know, that once it is safe for us to mingle, we plan to resume our classic neighborhood activities (seasonal garage sales, holiday parties, block parties, National Night Out, etc.) along with a few new ones (neighborhood bazaars, cook-offs, etc.). Let us know if you have additional ideas...it's never too early to plan.

NEW FENCE ON GLENHILL DR. AT BERKMAN DR.

In case you have not noticed, our association worked with local businesses to get a new fence installed at the dead end of Glenhill Dr. and Berkman Dr. After numerous complaints from area residents who felt that the dead end had become dangerous and unsightly with the accumulation of trash and debris over the years, with the overgrowth of vegetation, as well as a major safety concern with daily transient foot traffic, the association requested that the local business owner clear the over-grown vegetation and erect a new fence to address our concerns. We were pleased to facilitate this effort (with our new board members' participation) to increase the overall safety and beauty of our neighborhood. This is just a small part of what our association can do to maintain the *oasis* of the Coronado Hills/ Creekside neighborhood.

NEIGHBORHOOD SPEEDING

We continue to see speeding down Coronado Hills from the four-way stop sign at Berkman. Since the drive is downhill, it's important for drivers to watch their speed and brake

appropriately to maintain the 30 mph speed limit. It appears that some drivers are also exceeding the speed limit of 25 mph at the north end of Berkman Drive. We would also remind drivers to watch their speed along Glenhill given the limited visibility at the intersections of side streets on Shelbourne and Raven. Please stay alert for walkers. We have seen an increase in the numbers of our neighbors who walk the neighborhood during the pandemic.

TRASH PICKUP, RECYCLING, AND HAZARDOUS WASTE DISPOSAL

Large brush pickup

Our neighborhood is scheduled for large brush pickup the week of February 7, 2021. Stack large brush loosely along the curb in one row, not more than 15 feet across and no higher than 4 feet. Tree trunks more than 8 inches in diameter should be cut 3 feet long or less.

Collection Schedules

Enter your address to see a calendar of collection dates, including the dates for bulky trash and large brush pickup, at <https://www.austintexas.gov/department/austin-resource-recovery>.

Recycling

Not sure what belongs in each cart? See <https://www.austintexas.gov/department/residential-recycling-collection> for detailed information on recycling, or play the waste sorting game at <https://austin.recycle.game/>

Hazardous Waste Pickup

Due to COVID-19, the City of Austin Recycle & Reuse Drop-off Center is closed to the public. Instead, Austin-Travis County residents can schedule contactless pick-up of household hazardous waste from their homes for safe disposal. Hazardous waste includes cleaning products; automotive fluids and oil filters; paint and thinners; fluorescent light bulbs; batteries (both car and household); pesticides and herbicides; mercury; aerosol cans; and pool chemicals.

To schedule hazardous waste pickup go to https://cityofaustin.formstack.com/forms/hhw_collection or call 512-974-4343.
