

ALL SAINTS ACADEMY
AGREEMENT FOR THE USE OF COMPUTERS AND TELECOMMUNICATIONS

Parent/Guardian Consent Form

All Saints Academy (ASA) has chosen to permit students access to computer and telecommunication to further its educational goals and objectives. Reasonable care has been taken to assure the appropriateness and educational quality of the material available through the use of educational software and telecommunications. However, parents and guardians are warned that All Saints Academy and the Diocese of Worcester do not have total control of the information on the Internet. Parents and guardians are the primary authority responsible for imparting the standards of ethical and legal conduct their child or ward should follow. Therefore, All Saints Academy supports and respects each family's right to decide whether or not their child may have access to this resource.

I am the parent/guardian of the below named student. I have read the Acceptable Use Policy for Computers and Telecommunication, and I have either explained it to my child/ward, _____, or I have assured myself that the student understands it. I also understand my own and the student's responsibilities regarding computer hardware, software and Internet access at All Saints Academy.
