

Our experienced and dedicated team is here to assist you in any way possible to ensure your event is absolutely perfect! With us, it starts at the planning process and we will work together to guide you through the process for any event you need us for.

With our modern kitchen, we have the ability to cater any type of event from a small bridal/baby shower to a large birthday party or wedding reception that will fit your style and budget.

We look forward to having the opportunity to create a memorable event with you.

You will find a sample menu below. A full menu, other options and details of the contract will be available upon appointment with our catering manager. Prices begin at \$19.00 per person.
