

TRUMP Economy BIDEN

- Grant tax credits to companies that move manufacturing back to United States, tariffs on those that don't.
- Continue improving trade deals after USMCA, China Phase 1, South Korea, and Japan deals.
- Continue to cut regulations for businesses.
- Fund on-the-job training, apprenticeships.
- Make major investment in infrastructure.
- Launched "opportunity zones" program in 8,766 distressed areas, which, so far, have attracted \$75 billion in private capital.
- Build on becoming a net energy exporter.

- Increase the federal minimum wage to \$15 per hour.
- Strengthen worker organizing, collective bargaining, and unions.
- Make major investment in infrastructure focused on reducing carbon emissions.
- Make racial equity part of the mandate of the Federal Reserve.
- Will insist on strong and enforceable standards for labor, human rights, and the environment in any future trade agreements.
- Will ban anonymous shell companies, expand anti-money-laundering requirements, disclosure of beneficial ownership, and greater oversight of cross-border transactions.

TRUMP Taxes BIDEN

- Signed tax cut legislation.
- Cut capital gains tax to 15 percent.
- Increased the estate tax basic exemption amount from \$5 million to \$10 million.
- Proposes a cut to payroll tax.

- Greatly increase capital gains tax to same rate as income tax.
- Increase taxes by \$4 trillion over 10 years, including raising taxes on people making over \$400,000 a year.

TRUMP Governance BIDEN

- Restore balance and vertical separation of powers between the federal and state governments.
- Promote voter ID, urging all states to join program to keep voter rolls accurate.
- Supports apportionment and redistricting based on Census count of all citizens, and not including illegal immigrants.
- Appoint more federal judges.
- Make Puerto Rico the 51st state; keep the District of Columbia as a district.
- Pass congressional term limits.
- Directed federal agencies to move out of D.C. to opportunity zones.

- Make the District of Columbia the 51st state.
- Supports removing the Confederate flag and statues of Confederate leaders from public properties.
- Establish a national commission to examine slavery, Jim Crow segregation, and racially discriminatory federal policies on income, wealth, educational, health, and employment outcomes, and to study reparations.
- Opposes Voter ID laws and supports automatic voter registration, same-day voter registration, early voting, and universal vote-from-home and vote-by-mail options.
- Supports apportionment and redistricting based on Census count of everyone, including illegal immigrants.
- Supports requirement for all federal office candidates to disclose at least 10 years of tax returns.

TRUMP Health Care BIDEN

- Rescinded the individual mandate in Affordable Care Act and supports repealing the entire act.
- Protect those with pre-existing conditions.
- Supports health care price transparency.
- Stop "surprise billing" by banning out-of-network charges when the patient doesn't have control over provider choice.
- Drive down prescription drug prices. Allow purchases from abroad; cut out the middlemen who negotiate drug rebates; introduce "favored nation status" where Medicare pays the lowest drug price available globally.
- Accelerated generic drug approval.
- Signed the Right to Try bill.
- Anti-abortion—curbed federal spending that even indirectly supported abortion.
- Permanently expand telehealth through Medicare payments and preserve more rural hospitals through Medicare incentives.
- Enabled short-term insurance up to a year and is expanding the use of health savings accounts.
- Allowed employers to pay premiums for employees in individual market.
- Allowed small businesses to band together to access insurance plans available to large employers.
- Declared opioid crisis a national public health emergency and focused resources on supply, demand, and treatment.

- Introduce "public option" health insurance plans run by the federal government.
- Protect and expand the Affordable Care Act (ACA).
- Increase tax credits toward health coverage. Give the tax credits to higher-income people who currently aren't eligible.
- Provide free health care to illegal aliens.
- Expand Medicaid in states that rejected expansion offered by ACA.
- Stop "surprise billing"—ban out-of-network charges when the patient doesn't have control over provider choice.
- Lower drug prices. Repeal law barring Medicare from negotiating lower prices with drug corporations; government-set prices for new drugs with no competition; allow consumers to buy prescription drugs from other countries.
- Treat abortion as a constitutional right and restore federal funding to Planned Parenthood.
- Double the federal funding to community health centers.
- Target health care companies for antitrust violations.
- Exclude drug ads from tax deductible costs for pharma companies.
- Expand national and global vaccine programs.

TRUMP Education BIDEN

- Support school choice—homeschooling, career and technical education, private or parochial schools, magnet schools, charter schools, online learning, and early-college high schools.
- Wants funding to follow child (currently an average of \$12,000 per student per year in public school).
- Ensure First Amendment protections for students on campus.
- Sue colleges for discriminating against Asians and whites.
- Opposes Common Core and supports alternatives; supports less testing.

- Triple the funding for Title I schools, increase teacher wages.
- Double the number of psychologists, guidance counselors, nurses, and social workers in schools.
- Increase federal funding for public school infrastructure.
- Provide universal Pre-K for all 3- and 4-year-olds.
- Double funding for home visiting programs for parents of young children.
- Make public colleges and universities tuition-free for all students whose family incomes are below \$125,000.

TRUMP Infrastructure BIDEN

- \$1 trillion investment to fix current infrastructure, including bridges and roads, and expand rural broadband and 5G wireless infrastructure.

- \$1.3 trillion over 10 years for infrastructure and Green New Deal plans.
- Speed transition to electric vehicles; install 500,000 public charging outlets.
- Implement a high-speed passenger rail system between New York and Washington, move the California high-speed rail project ahead, and begin construction of a high-speed rail system from coast to coast.
- Provide every American city with 100,000 or more residents with high-quality, zero-emissions public transportation options.

TRUMP Housing BIDEN

- Keep zoning decisions local, rather than through a previous administration's federally administered Affirmatively Furthering Fair Housing regulation.
- Create program to help foster children with housing once they age out of the system.
- Use Housing and Urban Development programs to reduce homelessness, especially for veterans and families with children.

- \$640 billion over 10 years for access to affordable housing.
- Create new Homeowner and Renter Bill of Rights.
- Provide Section 8 housing vouchers to all eligible families paying more than 30 percent of their income on rent.
- Eliminate local and state housing regulations that "perpetuate discrimination."
- Withhold federal funds from states that refuse to repeal zoning regulations, with emphasis on ending single-family housing.
