

Upholstery Cleaning

Sofas, armchairs and other upholstered furniture receive a lot of attention, especially in a home with small children and pets. Although dirt and stains are inevitable, they do not have to be permanent.

Armed with an arsenal of the industries finest stain removing products and tools, we can remove or minimize any stain, helping your furniture to again look like new.

We also offer a line of fabric protection solutions and spotters.

Pricing

We offer rates that are comparable to other companies that offer similar services. When it comes to service rates it depends on many different things including method, size of the building and or residence, empty home, square footage, condition of carpet, stain removal, high traffic areas, moving furniture, and upholstery fabric.
