Vol. 11 No. 1 ~
Spring 2026

Gracing our cover this issue is Diamond Seraph, a Breyer Proud Arabian Stallion customized by Kathleen Maestas in the 1970s. Owned and photographed by Paula O'Keefe, who inherited him in the collection of the late Elizabeth Bouras, he's accompanied by a Bedouin admirer created by Paula's Red Desert Saddlery, utilizing a Mego Star Trek Klingon head. "He's my favorite for a Bedouin head," notes Paula. "It's the beard and the smile."

A Word to the Fore: Re-finding our feet

This issue is coming out at the beginning of May, not the start of March as we'd originally targeted -- but hey, we're here, so we're calling it good!

I haven't been 100 percent lately. Chalked it up to stress -- there's been plenty of it, between getting the hang of my new job, world events, a grueling winter stretching into spring (we'd thought it might finally be over, but then sleet and snow flurries returned on May 1! Here's hoping that's an exclamation point marking the end of this epic winter), skyrocketing food and fuel prices, having to have a tooth pulled... but then learned last week about a previously unknown factor, when I wound up in the emergency room with a pulmonary embolism (a blood clot stuck in a vessel in my lung), and more blood clots on the way up my legs!

Am on heavy-duty blood thinners now--and y'know what? I'm feeling pretty darn good! Feeling mighty grateful to still be here. Awfully thankful to Corky for looking after me, too!

Can you believe it, the VCMEC Online World Championships is concluding its 10th year? Yep, we've had the show series in 2016-17, 2018-19, 2020-21, 2022-23, and now 2024-25. The results of the fifth leg of the 2024-25 series, judged by Sofie Banister, is in the first half of this issue, and the results of the concluding sixth leg, judged by Paula O'Keefe, will be in this issue's "Part B" second half, coming out separately before the end of May. Thanks so much to our judges!

After that, our Summer issue in late June will be wall-to-wall World Champions in the aggregated results for the series! We're well along in determining the World Champions and Reserve World Champions in each division's classes, from horses' top four placings over the course of the six-leg series. (Classy commemorative ribbons will be able to be ordered for those World Champions and Reserve World Champions if their owners would like!)

From there, the top two horses in each division (Breed, Color, and Workmanship for the 1960s/'70s, 1980s, and 1990s) win nifty rosettes, and from among those horses, the very top two in each of those three timeframes win trophies! That big finish will be in our next issue, so stay tuned...!

Later this year, our Autumn issue in September will be the commemorative issue for the Model Horse Museum, including a detailed list of thanks to everyone who's helped make it possible, and we're chewing on how to recognize a decade of the VCMEC Online World Championships, too. In September the 2026-27 VCMEC Online World Championships photo show series will begin -- we're considering a few little modifications, such as splitting the largest breed classes by gender -- and the results of its first leg will be in the Winter 2026 issue in December.

And onward we go...! 'Til next, please take care, all, and we'll see you next month!

-Sparky C.

Judge's Choices

Here are judge Sofie Banister's favorites from each division! Enjoy!

1960s/'70s DIVISION

ATTN EVILDOERS (AC) ~ Thoroughbred stallion ~ CM by Nancy Strowger in 1978

"He has the perfect aristocratic Thoroughbred face! We visited a lovely stately home (Calke Abbey) the day I finished this division, the family were once famous for breeding racehorses (18thC peak) - his 'poise' reminds me of those racehorses in the old paintings one sees on the walls of houses like Calke."

FLYING FARE (CM) ~ Thoroughbred mare ~ CM by D'Arry Jone Frank in 1978

"I chose this lovely piece because to me she looks like she has so many stories to tell. She may be missing a tail but she is no less special and beautiful for it! I always think these vintage creations have so many stories to tell, I wonder what they have 'seen' and where they have been. And even though some inevitably become a little bruised over time, it is all part of their special charm."

WICKENDEN OSPREY (AC) ~ Welsh Sec. B stallion ~ CM by Cheryl Abelson and Cindy Derausseau in 1979

"What can I say? He's iconic! Super super wee pony and every bit a cheeky Welsh. I wish more folk today took photos like this, with the bridle and the realistic scene, brings them to life that bit more."

1980s DIVISION

BITTERSWEET (CV) ~ Holsteiner mare ~ CM by Kelly O'Toole Lowry in the mid-1980s

"That little haired mud knot is fabulous!"

CAROSSEL (HC) ~ American Cream Draft carousel stallion ~ CM by unknown artist in the 1980s

"Absolutely love the 'used' patina on this chappy, he really looks like an old and loved carousel horse! Such a fun piece."

NATIVE DELICACY (KO) ~ Thoroughbred mare ~ CM by Lee Hunter and Jason Ross in 1989

"Simply beautiful wee piece, hard to believe this one is a Stablemate! Such a stunning play of colour/shade/tones, coupled with those intricate plaits (TINY!)."

1990s DIVISION

CAST IRON SLEW (AI) ~ Thoroughbred mare ~ CM by Candace Liddy in the 1990s

"Just a really lovely type of Thoroughbred, looks like she'd grow up to make a wonderful hack (the British show type)."

CL FAIRWAY (HC) ~ Friesian stallion ~ CM by Candace Liddy in 1998

"Custom work on this scale, wonderful!"

**HIKAZE (CV) ~
Kirin mare ~ CM by
Judy Renee Pope in 1990**

"What a wonderfully fun and magical piece!
Love everything about this one!"

Sofie also writes: "Hi folks! Thank you for
letting me judge your Vintage Equines!"

"I wanted to write a wee something to say
just how much I loved judging all of your
Vintage Equines. It was such a privilege to
be asked to judge this round of VCMEC and
to be able to enjoy nosing through all of
those albums of vintage splendour. Some of
the hardest classes I have ever judged -- to
me they are all winners in their own right and
their own way.

"There is something really rather magical
about these vintage pieces and I am so glad
that they are still so loved and that the
skillsets which went into creating them are
recognised -- may this always be the case!
Some of them looked like they had stories to
tell, some of them look like they could have
been made yesterday but they are all
special.

"They exemplify the creativity and ingenuity
of artists who managed to create something
quite wonderful without the power tools and
airbrushes of today. I am in awe of the
'drastic' customs created without a trusty
dremel, in awe of the huge variety of paint-
ing techniques which make coats quite
literally glow with living energy, in awe of the
expressive faces and delicate skin detail --
and even more so when I remember that
those pieces are almost all older than I."

Thanks so much for judging, Sofie!

Victory Lap!

Shortly before press time, and without
revealing who'd won what, owners of each
division's Overall Champions and Reserve
Champions were invited to share their
thoughts about these star vintage customs.
Here's what they said!

AKASHA

**Arabian filly ~ CM by Julie Froelich
and Nancy Strowger in 1979**

**1960s/'70s Overall Champion
Color and Overall Reserve
Champion Workmanship**

Sarah Minkiewicz-Breunig writes,
"Akasha...a bitty baby with a whole lotta
charisma and chutzpah to spare! I
mean look at her! What's not to love
about this splendid little Arabian foal?
Customized by Julie Froelich in 1979 as
only Julie could do, then modified in the
paintwork by Nancy Strowger as only
Nancy could do, this little munchkin
embodies the state of the art back then.
And heck, she could even do well today
in the showing, couldn't she? That's
how timeless both Julie and Nancy
were in their vision. So ahead of their
time! Then when you put them together,
that's definitely one of our GOAT
Golden Crosses! Timeless, transcen-
dent, and terrifically beautiful, Julie and
Nancy were two unprecedented greats
that went great together, too! It's such
an honor to curate this plucky little
darling in their honor, and she makes
me smile every time I gaze on her!
Thank you so much to the judge for
recognizing her! The quality in this
show is unreal so to have her float to
the top placings is such a treat! Thank
you!"

ATTN EVILDOERS

**Thoroughbred stallion ~ CM by Nancy
Strowger in 1978**

1960s/'70s Overall Champion Breed

Ardith Carlton wrote about this world tra-
veler most recently in the Spring/Summer
2025 issue's Victory Lap. It's in our free online
archive at <http://www.vcmec.org>!

ROCKLEDGE DIAMOND LARK

**Appaloosa mare ~ CM by Kathleen
Maestas in 1978**

**1960s/'70s Overall Champion
Workmanship**

Cheryl Monroe writes, "Rockledge Diamond
Lark was kinda rescued from her previous
owner, a very young lady not interested in
participating at any level in our hobby. She
was getting married and I bought 'Lark' and
her baby from her. The poor little tyke was in
bad shape and I have since lost her. Momma
is in great shape for her years and I dearly
loved her when I saw her. Kathleen's artistry
has always been a favorite, even her very
fanciful work. This dear old gal will always
have a home here."

WICKENDEN OSPREY

**Welsh Sec. B stallion ~ CM by Cheryl
Abelson and Cindy Derousseau in 1979**

**1960s/'70s Overall Reserve Champion
Breed**

Ardith Carlton writes, "The RR (what CM was
called back in the day) Grand Champion of
Marney Walerius' 1979 Model Horse Con-
gress, foremost live show of its time, Wick-
enden Osprey was for years a celebrity in Liz
Bouras' superstar stable.

"This year is the 40th anniversary of my getting to 'meet' him. I visited Liz's place in 1986 and as she handled him almost reverently and reeled off his accomplishments, I thought about what a responsibility it must be to be the caretaker of such an intimidatingly iconic horse.

"Just over a quarter-century later, Liz invited offers for some of her treasures, and I asked after Osprey. Liz explained that he was in need of restoration; Cheryl Abelson haired his mane and tail with hair from her English Sheepdog, but the hair had disintegrated over time, and he also needed some touch-ups. With my promise to get him restored, Liz allowed me to buy him! Meghann Hoscheid then did a wonderful job restoring him.

"This is my 15th year of responsibility for safeguarding this hobby legend, and Liz having passed away in 2022 makes that responsibility all the deeper. I'm so grateful to her for the opportunity to look after him!"

STARSHIP PHOENIX

American Saddlebred mare ~ CM by Nancy Strowger in 1979

1960s/'70s Overall Res. Champion Color

Ardith Carlton writes, "So happy for this firey li'l gal! It was a thrill to welcome her and her moosey Adios pal Tadeusz, also by Nancy Strowger, to my stable when Jeanine DeCuir parted with them in 2013.

"The rich blue of her braids is the very color of the Phoenix, a spacecraft in a Japanese anime series Nancy Strowger was fond of, 'Science Ninja Team Gatchaman.' In flight, the Phoenix could shift into the form of a flaming firebird--so it didn't seem inappropriate to change her name from Givenchy to Starship Phoenix!"

NATIVE DELICACY

Thoroughbred mare ~ CM by Lee Hunter and Jason Ross in 1989

1980s Overall Champion Color and Workmanship, and Overall Reserve Champion Breed

Kelly O'Connor writes, "Native Delicacy came through the 1989 MARA Select Sale. I admit the SM TB mare was not one of my favorites but the braided mane and tail sold me! That and her glowing color, described as a 'glazing' method painted from light to dark. She has such a lovely kind face and I can imagine her willingness over fences."

JAMIL MHURATT

Arabian stallion ~ CM by Sarah Minkiewicz in the late 1980s

1980s Overall Champion Breed and Overall Reserve Champion Workmanship

Cheryl Ridge writes, "Victory Lap deadline was fast approaching and I feared I would have nothing (further) to say about Jamil Mhuratt.

"So I turn the clock back almost 4 decades and revisit the results of a 1988 photo show where a dream germinated.

"The Elite Decorations Reworkers Review. I hone in on the name Jamil Mhuratt. There he is, winner of the first class: Halter Stallions (with 291 entries!). Then winner of Showmanship (299 entries!). Other impressive results in there: 5th place in Best Rework (373 entries!), 2nd in Best Paint Job (576 entries!! His sister Mon Nafa Rani took out first place for that one!) and even 3rd in Judge's Choice (2068 entries!!).

"It so happened that black and white xerox pictures of Jamil Mhuratt and Mon Nafa Rani were included in the results print out. Oh my heart, it turned out they were Breyer Proud Arabs reworked by newcomer Sarah Minkiewicz! Despite the pictures

lacking colour and detail, to me these models were next level.

"I don't recall the term being widely used back then but for me I only ever had one true 'holy grail' from that point -- that being a dapple grey Arab by Sarah Minkiewicz! The rest, they say, is history (and has been shared across previous Victory Laps). I remain a proud and grateful custodian of not one but TWO early dapple grey Arabs by Sarah :)

"Jamil Mhuratt was a later arrival to my herd, having spent earlier years in America and Germany before coming to join me and his sister Mon Nafa Rani here in Australia. Later on we would discover the VCMEC series and once Jamil set hoof into that he would make his presence known. And that he has. I love how he is portrayed in his 'show photo' but also that it pays homage to the beautiful Victorian High Country down here (where 'The Man from Snowy River' and 'The Silver Brumby' were filmed).

"Jamil Mhuratt, you are such a special boy. I am thankful to have you and thankful to the model community who has embraced you. If Mother Nature unleashed her fury and you were in her path, I would want you to be one of the first things tucked under my arm being rescued!"

CALL TO GLORY

American Saddlebred stallion ~ CM by Jamie Coughlin in 1988

1980s Overall Reserve Champion Color

Meghann Hoscheid writes, "I have always had a soft spot for Breyer's #54 Trakehaner mold and Call to Glory truly is an exceptional one. He was transformed into a lovely dark bay tobiano ASB stallion and brought to life by the very talented Jamie Coughlin in 1988. Looking at him you would never know he is 38 yrs old!

"I remember first admiring 'Glory' in photo shows throughout the mid-late '90s. I never imagined that one day I would be lucky enough to own such a special horse. He is easily among one of my favorites in my collection."

FAKHIR

Shagya Arabian stallion ~ CM by Laurie Jo Jensen and Sarah Minkiewicz in 1992

1990s Overall Champion Color and Workmanship

Leah Breniser writes, "Fakhir was a sight unseen purchase. Karen Caldwell knew I collected vintage customs and offered him to me along with a few other vintage customs.

"I remember taking his photo thinking it didn't do him justice, but I wanted to get him into VCMEC so I named him quickly and said he was a Shagya Arabian.

"I recently found him by accident in Laurie's gallery under Spanish as Conversano Corazon MJ, shown as a Lippizzan. I'm unsure if I should change his name and breed to match next year."

TECH NOIR II

Arabian stallion ~ CM by unknown artist in the 1990s

1990s Overall Champion Breed and Overall Reserve Champion Workmanship

Amanda Ingram writes, "Exciting news that Tech Noir won a championship again! I love that little guy and hope to find out who customized him one day!"

CRUSHER JOE

Paint stallion ~ CM by Carol Williams in 1995

1990s Overall Reserve Champion Breed

Ardith Carlton writes, "The world has a wealth of wonderful model Paint stallions...but of 'em all, to my mind, it's tough to top Cheyenne Ridge.

"Created by Carol Williams from a Breyer Trakehner in the 1980s, Cheyenne Ridge was front and center in the lead photo for Jean Lindgren's marvelous article for the December 1989 issue of Paint Horse Journal, 'Model Makers Compete in Scaled-Down Paint Horse Shows.' Carol had photoed her Adonis of an overo standing in a stream, with his dismounted rider relaxing on a nearby rock in the water, holding his reins.

"Soon after that issue came out, in leafing through it I was completely fooled by that photo at first glance; thought the horse in the water was real and would be a great idea for a model! Then I noticed the oddly shiny pate of the doll, and the words on the page finally registered. That great idea for a model was already a model?! I became a Cheyenne Ridge fan on the spot!

"In those days, Carol occasionally had saleslists of new horses and a few members of her show string. I was lucky to acquire some standout stock horses that way--and every time, I asked after Cheyenne Ridge. One day, to my utter shock and delight, she decided to sell him to me!

"There was just one condition...she explained that he had developed some structural issues, and that she'd like to rework him. I agreed, and in 1995, chestnut overo Cheyenne Ridge was reborn as his bay overo son Crusher Joe!

"Contrary from the start, Joe promptly took a detour in the mail, worrying Carol and me sick as he wandered somewhere for six weeks between Kansas and Ohio before finally arriving safely, whew!

"He went on to be the NAMHSA 1996 NAN National Champion Custom Paint Horse and 1997 NAN Reserve National Champion Custom Paint Horse, both times in against the revolutionary Rlo Rondo QH-1 artist resins Carol also created. Carol told me she prefers him to the QH-1, and it's gratifying whenever judges agree!

"Unlike in his photogenic former life, Joe is not fond of cameras; I haven't been able to take a decent show photo of him. Am so happy that he managed to do well despite it! Thanks so much!"

TC

Arabian gelding ~ CM by Lisa Rivera (Shepard) in 1995

1990s Overall Reserve Champion Color

Cheryl Monroe writes, "TC is a portrait model of a real Arabian gelding that belonged originally to Lisa Shepard. She also created the model of him, and when I brought the real TC to my home for retirement, Lisa gave me his portrait model too.

"The model TC really captured the real TC in looks and overall attitude. His tail is on a moveable wire base so it can change position. Lisa did a fantastic job creating him from a PAM!

"The real TC has long since passed away, and the model TC enjoys lounging around with my other real horse portrait models. Lisa would be thrilled that he won something! I didn't campaign him very much, mostly just enjoy him with his buds."
