• allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
• restrict sports betting to individuals physically located in the state and over the age of 21;
• allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
• allow for the general assembly to enact laws consistent with this amendment?
State governmental entities estimate onetime costs of $660,000, ongoing annual costs of at least $5.2 million, and initial license fee revenue of $11.75 million.
