

DESERT STORM 2022 VENDOR CHECKLIST

Event Date: April 20th – 24th, 2022

Hello vendors!

This is a **vendor specific checklist** to help you complete the **2022 DS Vendor process with ease**. 😊 You will need all the info on the checklist prior to completing the Vendor application. To get access to the online vendor application you need a link sent from the Storm Poker Runs crew. You cannot just apply or get the link from a friend - all business types need approval by STORM STAFF PRIOR to getting the application link. If you are interested in participating in Desert Storm 2022 follow this simple check list and you will be on your way. Once you get approval to apply for vendor at DS2022 you will need to pay in FULL to complete application. All payments are DUE at time of application. All Vendor positions are **first come first serve** so be PREPARED to complete the application and PAY in full. If you have any questions, feel free to email Christina@stormpokerruns.com

Desert Storm 2022 Vendor Check List: (Complete in this order 😊)

Step #1 information needed to complete the ONLINE VENDOR APPLICATION:

(do not email this info at this point just gather it to complete the online application.) -

- Basic Company demographics- name, phone address etc.
- Credit card to make payment. APPLICATIONS cannot be completed without PAYMENT in FULL.
- Electronic copy of your **business license** to upload into the Application Portal.

STEP #2 Be aware of the vendor process and UNDERSTAND and follow the rules and regulations-

- All Vendors will go through the SAME process.
- All Vendors are required, to participate in the staging process. Staging will be assigned specifically to each vendor. If you do not participate in the staging process, you will forfeit your spot with NO REFUND.
- All Vendors will receive all MAPS and STAGING by April 10th, 2022, so you will be prepared!
- As a vendor you are responsible for your own supplies, tent, tables, chairs, lights, power, etc. Make note the Street Party is from 1PM to 9PM, so you will NEED LIGHTING.
- All Vendors are responsible to **PACK IT IN / PACK IT OUT**. This means you do not leave **ANY** trash by the trash cans, in front of your booth, in the middle of the street, or on the curb. Your map will also show locations of **event dumpsters**, where you can dispose of any of your extra boxes, broken displays, etc. into the designated DUMPSTERS. **If EXCESSIVE TRASH is found at your booth after the event, you will be charged a MINIMUM of 200\$ and will forfeit future participation in any STORM POKER RUN Events.**
- All food vendors are responsible for their own water, oil, power etc. If you have a fryer, you need a proper ventilation system in place. If you are unsure what that is, please reach out so we can prepare you. It is possible the LHC Fire Inspector will do an inspection of your system- you are 100% responsible for your equipment and any fines that occur. The Fire Marshall has the right to remove you from the event if necessary and NO REFUNDS- so be prepared!
