Super Pro 8000 rpm tachometer built into dash blends well with other gauges

Full-size rally wheel with jack in the trunk for emergencies

Cool muscle car classic with air condition

You can hear and feel the music of the classic exhaust!

As a convertible, a guaranteed head turner!

When we took her home, not only did the guys at the gas station come over to look, but even the cook at Waffle House washed his hands and went outside to look her over!

I can tell you that if I had a car like this when I was younger, I would have been top dog!!!
