

THE GATES OF HADES

The purpose of this illustration is to depict the place in Caesarea Philippi where the ancient Sanctuary to Pan stood. According to Jesus who ministered there with His Disciples, it was the Gates of Hell. The god Pan was the personification of the sexual powers of Lucifer. The city was said to have been built on top of the rock formation at the base of Mt. Hermon. This mount was the place that according to book of Enoch, the 120 Watchers descended who left their 1st Estate to mate with human women for the explicit purpose of thwarting YHVH's plan to redeem Humanity.

It was on Mt. Hermon that some Bible Scholars believe that it was the Mountain of the Transfiguration. This is when Jesus took Peter and the Sons of Thunder, James and John.

Mt. of Transfiguration?

If the Transfiguration of Jesus took place on Mt. Hermon, it would be very symbolic of a gesture. This would imply the Jesus as the 2nd Adam, the 'God-Man' came to reclaim the rebel territory of the Watchers. This stop in the ministry itinerary also served to give Lucifer and his 'Gates' or portal notice that they would not prevail over the Church and Church Age. Also as Caesarea Philippi was built upon the 'rock' of Pan, Christ promised to build the Church upon Himself, the Rock. Anyone confessing the same as Peter did that Jesus is the only true GOD would be used to build this 'city on a hill', the coming New Jerusalem a Bride.

Caesarea Phillip was in the northern part of Israel in the Golan Height. It was the domain of the tribe of Dan and it is the source of the River Jordan.

THE GOAT GOD PAN

The Temple to Ba'al or known as the Panion or Panium was dedicated to Pan. The Goat god was associated with the wild inhibitions of the carnal sexual energies. He is also associated with music as Lucifer was before and after his fall. The people of this region worshipped Pan with sexual orgies and the practiced homosexuality.
