

THE FUTURE OF HOPE FUND

The Future of Hope Fund is a permanent endowment dedicated to addressing critical issues faced by children. Since 2007, the Future of Hope Fund has provided financial support to efforts that address the needs of children.

Built on donations from people like you and managed by volunteers, the Future of Hope Fund is able to direct financial resources efficiently – and with accountability – into our community and beyond, ensuring the health and success of our children today and tomorrow.

The Overland Park South Rotary Club philanthropic endeavors include the annual Jazz in the Woods music festival and The Future of Hope Fund, both of which benefit Kansas City area children's charities.

We are also active participants in book drives, food drives in Greater Kansas City. In addition, we also offer a number of social and networking activities.

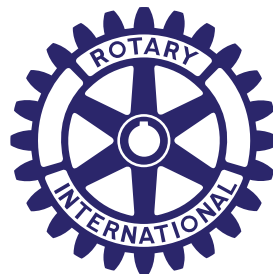

ROTARY'S VALUES

Members share their experiences and why they joined The Overland Park South Rotary Club:

"I joined Rotary to get exposure to local charities for future involvement. As a result, I not only learned about many great charities in Kansas City, but I also made great friendships, found good mentors and developed leadership skills. I encourage anyone who is looking to grow personally and professionally to join Rotary."

*~ Marc Shaffer, Principal,
Searcy Financial Services Inc.*

"I have been involved in two different Rotary Clubs and joined both because I was new to the area and interested in being more involved in my local community. Through Rotary I have been able to interact with exceptional business leaders, as well as have a positive impact on several children's initiatives and community events."

*~ Michelle Fittro, V.P. of Marketing,
Arvest Bank*
