

FL2 Print Sets – TY 2018

- FL2 QR Print Set: Used to QR tax returns
 - Displays all items plus worksheets
 - Not for printing, just reviewing on screen

- FL2 Efile TP Copy: Standard print set for returns that are being e-filed. Uses stacked 1040 and schedules. Prints out in this order:
 - Consents
 - 8879
 - Estimated tax vouchers for 2019 (if any)
 - 1040-V payment voucher (if needed)
 - Tax return, schedules, and numbered forms

- FL2 Paper TP Copy: Standard for paper returns. The 1040 pages and schedules print on separate pages. Prints out in this order:
 - Consents
 - Estimated tax vouchers for 2019 (if any)
 - 1040-V payment voucher (if needed)
 - Tax return, schedules, and numbered forms (2 copies)
- Only one copy of the tax return is mailed to IRS. The other items are for the taxpayer.

- FL2 1040 ES: Prints only the estimated payment vouchers. Used when the taxpayer requests after the return has been printed.

- FL2 Direct Debit Client Summary: Direct debit information only appears on the Client Summary page. This print set provides these pages for the taxpayer's review and file.
- FL2 pre TY18 print set
