Fair Baskets need some great stuff! We are looking for donations for our raffle basket event at the Fair. It is one of our most popular money making activities. Please check with friends, family and favorite business establishments to help us get fantastic donations. Restaurants, services offered, and cool items are all welcomed. Or if that is not possible for you; Community Projects has gift baskets all made up. Often all you need to do is pick it up and take it to the register. Or that gifted item that has never been used, and we can include it in a collection we put together. Thank you for your efforts. For questions call us.
