The School of architectural Design & Innovative technology

Dear Incoming Roy H. Mann Families,

As the Principal of Roy H. Mann, it is my pleasure to welcome the Class of 2028 to our school. Let me first say how thrilled we are to have you with us this year. With our academics on the rise, including our high passing rates, on the Algebra, Living Environment and U.S. History regents' exams, our SEM Program, SOS Program and afterschool enrichment programs, it is an exciting time at Roy H. Mann.

I am sure you have many questions about our school and are excited about your child beginning their middle school journey. On Wednesday, July 9, 2025, we are inviting you and your child to our school for an orientation.

Date: Wednesday, July 9th
Time: 10:00 AM
Place: Roy H. Mann
1420 East 68th Street
(School Auditorium)

At the orientation we will discuss our academic programs, Schoolwide Enrichment Model (SEM) and extra-curricular/after school activities. Most importantly, we will be there to answer any questions.

Please click on the link below to fill out a Google form letting us know if you will be able to attend the event.

<https://forms.gle/qp3ENvDQqKTbVTdJA>

Any family that is unable to attend the orientation on July 9, 2025 is welcome to visit our website at www.royhmann.com, and contact our parent coordinator Ms. Bess by emailing her at JBess@schools.nyc.gov for more information.

We are so excited for your family to become part of our family at Roy H. Mann. We look forward to seeing you on Wednesday, July 9, 2025, at 10:00 am.

Sincerely,

Anthony Cusumano
Principal
