SERIES 3000®

W A R M , I N V I T I N G & E L E G A N T

The beauty of Series 3000® is up close. This high performance surface features speckles of color, created by the natural granite and quartz aggregates throughout its micro-pebbled surface, bringing class and sophistication to any project. Using a special two step process, the paver's surface has a superior exposed aggregate finish that eliminates fading and wear. This non-slip paver is perfect for all residential spaces such as driveways, walkways, patios, pool decks, and much more.

Manufactured in North America

Salt and chlorine pool water resistant.
All measurements are nominal.
