

ISRAELI DEMOCRACY

What's Wrong with It and How to Fix It
Featuring Professor Reuven Hazan

Go behind the headlines about Israeli politics with Professor Reuven Hazan of the Hebrew University's Political Science Department. Hear insights on the forthcoming elections and analysis of the Israeli political system from this former advisor to the Speaker of the Israeli parliament, contributor to Israel's foremost think-tanks, former member of the Presidential Commission on the Structure of Government in Israel and political affairs commentator for CNN, BBC, FOX and NPR.
