KEY DIFFERENTIATORS

QUALITY OVER QUANTITY. We decorate the interior of our buses to build up enthusiasm for the trip. For example, if the passengers are going to the beach, we have beach stickers on the windows and mini beach bags with treats on every seat.

PRECISION IS A KEY FACTOR. We keep an open line of communication with our clients to ensure every detail is correct. Our drivers are dressed professionally at all times and are very punctual.

SAFETY IS TOP PRIORITY. We list the safety rules/tips before every departure, and we double check the emergency exits. We keep a First Aid Kit at the front of each bus. We also have cameras in each bus to record every trip. In case of an emergency, we keep extra buses on stand-by to continue productivity.

WE LOVE WHAT WE DO. It's not a job, it's a passion. We love to see eagerness from the passengers and it brings great delight knowing we safely brought them to their destinations. We believe in traveling more to live with the best memories.
