Missing Person

On the morning of 01/24/25 the Emmons County Sheriff's Office received a report of a missing adult female, identified as 39 y/o **HEATHER CARAS (AKA: Heather Wagoner)** of Linton. It was reported that CARAS told her two teenage children she was going to start and warm up the vehicle, said goodbye and left her residence alone, driving a Gold colored 2000 Chevrolet Silverado in an unknown direction and destination. Information indicates she left her home willingly and no foul play or suspicious circumstances are suspected in her disappearance at this time.

CARAS' vehicle was located the following day near Beaver Bay west of Linton abandoned with the keys in the ignition. Multiple searches of the immediate area were conducted on foot and expanded outward with the use of an ATV and a Drone with negative results.

Information along with other factors obtained by this agency along with statements made to others by CARAS prior to leaving her home, indicates she may have previously reached out to an unknown prior acquaintance living out of state to assist her in leaving the area and may have taken steps to avoid detection or being located.

A nationwide Attempt to Locate (ATL) has been issued for CARAS should law enforcement have contact with her. The sheriff's office has been in contact with several members of her immediate family who reside out of state, and we will continue to attempt to locate her using other available resources. Making sure her children are properly cared for and their needs met and continue to be met is a propriety of this office and social services.

Anyone with information about HEATHER CARAS should contact the Emmons County Sheriff's Office @ 701-254-4411 or their local law enforcement agency.

Heather Caras

AGE: 39 HGT: 5'04" WGT: 125 lbs.

Hair: Brown Eyes: Blue
