PUBLIC COMMENT- None

ELECTED/APPOINTED OFFICIALS

Police Chief Miller informed council of recent incidents concerning semis entering side streets. Miller said that the city's ordinance would need updated to reflect the Illinois traffic code and also update streets that will allow semi-trucks to enter for deliveries.

Miller reported that a digital radio was purchased for the new police car through Novacom and would be on the following meeting warrant for approval.

Treasurer Meyer reported that the city received payment from Little Egypt shows in the amount of \$1,500.00 for the recent Spring Fling Carnival.

Alderman Elliott said the city's zoning ordinance does not specifically address modular homes, asking council for some guidance on possible zoning requests. Discussion was had on whether to allow modular homes in town to which some city officials said they would not. The city would continue to have applicants go through the zoning process for modular homes, single and double-wide trailers for approval on a case-by-case basis.

Mayor Penrod said the TIF extension passed through the General Assembly and was sent to the Governor. The city would take the next steps to formalize the extension through ordinance.

Penrod said Horner & Shifrin would bid out the water project following week.

Penrod said Terra Pro would begin asbestos removal on the residential demolition project soon.

As there was no further business to discuss, Alderman Racey made a motion to adjourn.
Seconded by Alderman Pitts. Mayor Penrod declared the meeting adjourned at 7:13 p.m.

For APPROVAL: June 18, 2025
