

## Ms. Irene Ocheita

I am happy to be at Lambs of Faith preschool because as teachers we get to teach God's word throughout the day. Our curriculum is mixed into our daily routine and God opens more opportunities throughout the day to show and teach us more about him.

I would like to share a little bit about myself. I have been a preschool teacher for 8 years. During this time, God has blessed me with a heart for children and a desire to assist them as they grow. Ten years ago, when I was a nanny, I developed a bond with children that I knew was my calling from God. I decided then to begin my education in child development and learned techniques and styles of working with groups of children of various ages and behaviors. While working as a preschool teacher I also taught 4th grade Sunday school at my home church for three years. In 2015 I was called to missionary work in Mexico. I lived there for a year and was blessed beyond measure. I served in children's ministry and taught God's word to the local women. Now that I am back in California I am excited to be working with Lambs of Faith, continuing to teach, and show the love of God to your children.
