**Footnotes**

1. Modifications to AGI apply depending on the applicable Code sections.
2. Future year increases are specifically provided in the statute.
3. Phase-out is based on AMTI rather than AGI.
4. Applies only to MFS taxpayers that lived apart during the entire year.
5. Phase-out depends on the number of qualifying children in the family.
6. Married individuals normally must file MFJ to get the credit even though a MFS phase-out range is shown.
