# IT and Business Move Planning

## One comprehensive move plan including procurement if needed

NeedPipe will create a turnkey move plan for your business. We start by understanding your requirements, then helping you determine where to move, planning the move, moving you, and then cleaning up, a truly complete solution. No matter where you are in your move process we can help.

### Other value add services:

- Facial Recognition and Temperature Sensing systems for employees and visitors
- Digital Displays and Content Mgmt
- Signage inside and out
- Flash or phased moves
- Swing gear onsite or cloud as needed
- Data Room or Data Center Buildouts

Let us build the right plan for you and your employees.

## Flexible solutions for your business needs

### CONSULTING TO PROVIDE A TOTAL END TO END MOVE SOLUTION.
