

High School Math Teacher II

Jefferson Preparatory, located in North Phoenix, offers a goal-oriented, classical college preparatory curriculum designed to prepare students for the rigors of college and the workplace beyond. JP is currently seeking dynamic, innovative, and highly qualified high school educators with a desire to empower students to strive for achievement and success. JP believes in developing students both inside and outside the classroom by offering a number of sports and extra-curricular activities. Coaching and mentoring opportunities are also available for the interested teacher in these areas.

Desirable candidates will possess a Bachelor's degree in Mathematics. The ideal candidate will be able to teach Algebra 2, Precalculus Statistics, Trigonometry and Calculus. Preference will be given to applicants who have the education, background, and experience to instruct students in a variety of levels of mathematics.

Salary DOE. Full complement of benefits. Applications available for download at www.choiceacademies.org/employment. Submit a completed application, resume, proof of highly qualified status, proof of valid fingerprint clearance card, and three professional references. Incomplete applications will not be considered. Choice Academies, Inc. is an EOE
