Sponsorship Opportunities

- *Help fill the Christmas wishes of Kern County children in foster care*

The Holiday Cottage was created to bring a little brightness and love into the lives of children in foster care during this special season. This year, Kern Partnership for Children and Families Foundation and Kern County Department of Human Services will team up again to host the Holiday Cottage virtually.

With your help, we will continue to fill the Christmas wishes asked of us by Kern County's foster children. Please consider the sponsorship opportunities included, in support of making Christmas morning a special one for our local foster children.
