

Point Loma Nazarene University & San Diego Unified School District
in collaboration with
 the Autism Society San Diego are pleased to announce:

"Autism Through the Lifespan" Monthly Parent Support and Information Meetings October 2018 - May 2019

Please join other parents, caregivers and professionals at the following monthly informational and support group meetings in Mission Valley. These meetings will discuss the various aspects of autism through the lifespan. Each meeting will feature an expert speaker and an ASA parent mentor. This is a time for you to meet other parents, ask questions and network. The meetings are free and open to all.

Time: 9:30 - 11:00 am

- | | |
