The termination of any proceedings by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in the best interests of the League or that the person had reasonable cause to believe that the person's conduct was unlawful.

### **C. Indemnification in Actions by of or in the Right of the League**

1. In respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the League in the performance of such person's duty to the League, unless and

only to the extent that the court in which such proceeding is or was pending shall determine upon application that, in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for the expenses which such court shall determine;

2. Of amounts paid in settling or otherwise disposing of a threatened or pending action, with or without court approval; or

Except as provided in Section D of this Article, any indemnification under this Article shall be made by the League only if authorized in the specific case, upon a determination that indemnification of the agent is proper in the circumstances because the agent has met the applicable standard of conduct set forth in Sections B or C of this Article, by:

1. A majority vote of a quorum consisting of the Executive Board (Board of Directors) who are not parties to such proceeding; or
2. The court in which such proceeding is or was pending upon application made by the League or the agent or the attorney or other person rendering services in connection with the defense, whether or not such application by the agent, attorney or other person is opposed by the League.

## **H. Forms of Indemnification Not Permitted**

No indemnification or advance shall be made under this Article, except as provided in Sections D or E(2) in any circumstances where it appears:

1. That it would be inconsistent with a provision of the Articles, these Bylaws, or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred, or other amounts were paid, which prohibits, or otherwise limits indemnification; or
2. That it would be inconsistent with any condition expressly imposed by a court in approving a settlement.

## **I. Insurance**

The League shall have power to purchase and maintain insurance on behalf of any agent of the League against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such whether or not the League would have the power to indemnify the agent against such liability under the provisions of this Article; provided, however, that the League shall have no power to purchase and maintain such insurance to indemnify the agent of the League for a violation of state statutes regarding self-dealing.
