ARRANGEMENTS

At your request, Heath Carlton Stocks, was administered a polygraph examination at the Arkansas State Police Headquarters in Little Rock, Arkansas, on Saturday, January 18, 1997, by Investigator Alex U. Finger.

Mr. Stocks was being tested to determine the extent of his knowledge or involvement, if any, in causing the death of his family.

PRE-TEST INTERVIEW

The Pre-Test Interview with Mr. Stocks is included in this file on a separate ASP-3A.

EXAMINATION

Mr. Stocks was administered a polygraph examination of the Zone Comparison Test, in which the following questions were asked along with other irrelevant and controlled questions:

Q. Did you shoot either one of your family members?

A. No.

Q. Did you yourself cause the death of your family?

A. No.

Q. Were you there at the exact time of the shooting?

A. No.

Polygraph Letter

Q. Did you suspect someone in particular causing the death of your family?

A. No.

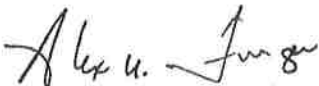

Q. Do you know for sure who shot your family?

A. No.

FINDINGS:

Based on information furnished, his statement and behavior symptoms, and a careful analysis of the polygram it is this Investigator's opinion that Heath Stocks is essentially deceptive in answering the above questions.

Respectfully Submitted,

  
Investigator Alex U. Finger  
Polygraph Examiner
