

Are you looking for ways to help others? Consider hosting a House Party for WEW, Inc. It's a party for a cause! It's an easy way to help others. So, at your next event, add us to your calendar, make it a party and have fun! Collect household items and donate them to our organization. We welcome any individual, family, organization, or women's ministry to do it! All donations help our hope project! Help mothers and children with a fresh start. Many families we serve have no furniture and are sleeping on the floor
