Dead and death and kill and killed do not mean that any one is gone. Those that is ded, det, di, de, kil, killed and other words is alive and move around just like us. Jesus use their names in the wrong way to say us can be dead and death and die and kill and killed and deceased and other

words that mean done and gone. The word on drinks and food that is <u>diet</u> mus not use and food mus not make in <u>diet</u> form as it is Jesus word for dead. None of Us is no dead no kill or other words, an no in low or high coma or above or below. Us live on an on an on an on an on an on from this life to first life, to second life, to third life, to forth life and up to 26 life. Every One is to say Me go from here to Me first Life when Me leave here. You can say these words now and many times after, so you go into the right way.
