It is human nature to reflect on our lives and the events that got us to where we are today. Many people speak of "coincidence" or "luck" or things happening by "chance." But as faith-filled women we believe that God has a plan for us and His Divine Providence should and usually does get credit.

God has placed us where we are; He has directed the specific people and events in our lives. Our response in every situation in our life needs to be to trust the providence of God. We need to believe that He has a plan in every circumstance. He created us for a purpose and we must trust His guiding hand and loving heart.

We invite you to take time out of your busy schedule and join us for a morning of presentations, reflection and discussion. Through the support of one another we can strengthen our belief that God's love for us is sure and steadfast and that He is working all things together for our good.

*For from Him and through Him and for Him are all things.
To Him be glory forever.*

(Romans 11:36)
