I am an active PSC Alumni Association board member. The association is trying to rebuild and reactivate its interest. We provide scholarships for students, several activities for students at the college, give half the prize money to the winner of Keyser's Got Talent which is \$500, assist in funding field trips, and we just approved a funding request for the library to purchase some games for the students.

For the month of October, if anyone buys a new or used car at Timbrook Chevy or Timbrook Ford, they will make donations to us for every car they sell. I am doing my quilt raffle and the drawing will be Nov. 11th.
