Looking back on September for Bethany, the Milton Harvest Festival took place here in the town of Milton. This year Bethany UMC did not have a food stand, but opened the doors for a comfort station and Janet passed out free water. Had another movie night with the showing of "God's Not Dead".

"But one thing I do: Forgetting what is behind and straining toward what is ahead, ¹⁴ I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus." Philippians 4:13b-14 (NIV)

From Pastor Bill's Study

Greetings to all,

Into everyone's life a little rain must fall. Does anyone know who said that and can they reach out and slap them? I want to say enough is enough already.

Mark Twain is quoted as saying that everyone talks about the weather but no one can do anything about it. As I watch a steady rain fall out of the office window I begin to think how lucky I am and how God has blessed me with a dry warm place to work and a dry comfortable place to live.

Years ago when I worked in the quarry rainy days would just be another day. A little longer and wetter but we work anyway. Inside or out we just did what had to be done until your day was up. Yes I complained but I survived and went back to work the next day.

I find myself reflecting on the point of complaining as I listen to myself pray in the last few weeks and I wonder what does God think of my rambling on with everything that is wrong and very little thanks for all that is going on in my life and ministry.

October is a month that always makes me pause and consider where I am and where I want to be. It is the time of the year where I need to work on all of the reports due for our church conference. It is a time of reflection as I go over the membership and remember all of those who have died or transferred their membership.

It is a time for me to look back upon what has been accomplished and what else needs to be worked on before the end of the year.

How close have I come to the goals I have set for myself and for the church and what do I need to do to establish new goals for the next year.

I do believe that all of us must establish a goal or else we will just wonder aimlessly and be satisfied with whatever we accomplished even if it was way below what we set.

In the next few months left in this year there is going to be a setting of goals for next year. Start praying and thinking about what you and the church can plan for 2019.

I know a few that I am pondering is a leadership study for our leadership team as we move toward the new structure of the simplified accountable system. We need to increase our visibility within the town and reach out to find what is the calling that God has for us and the community in which we live and serve.

What is there that we can do to increase our worship experience that the Holy Spirit is welcomed and felt in the presence of our worship?

In all and through all we do, how can I / we be more receptive to what God would have us do?

While thinking of what to do I must not forget that the harvest for this year still needs to be brought in so we must not think we are done yet. Jesus said, "The harvest is plentiful but the workers are few". We should rally and end the year with a great finish. With the Lord's help we can still accomplish many wonderful events. Keep our minds and senses open to go where God leads us.

Leadership (Ad Board) Report....

We have established on-line banking with Milton Savings, the holder of our church accounts. This has been done in order to give the Treasurer fast access to the current standings of the accounts and to allow him to pinpoint the dates of activities within them for purposes of record-keeping efficiency. In doing so, we have not approved the Treasurer to use the on-line system to make transfers or pay bills, so that such events will continue to take place as they have.

Pastor Bill has sent a letter to Lewisburg District Superintendent Larry Leland to confirm that Bethany will be moving to the Alternative Minimum Structure of church governance, commencing in January 2019.

The Board approved of providing a gift card to Sam Robbins, a neighbor and friend of Bethany who has voluntarily stepped in to help us with sexton duties in the absence of Jack Stockdale. We thank Sam for his willingness to assist us, and we deeply regret that Jack, with his health problems, has had to leave our employ. .

Lay Leader's Report

In the wake of my recent hospitalization, I spent so much of my time recuperating and managing my health requirements that I was able to do only as much for Bethany as my condition allowed. But this space gives me the chance to begin to express my great thanks to the members and friends of our church for the prayers, visits, cards, and words of encouragement that they lavished on me while I was incapacitated. And folks tended incessantly to any parts of my care and duties with which they could possibly help. I speak with deep gratitude for all I've gained from my loving brothers and sisters. I'll prevail, through the Father and because of them.

Trustees Report....

If you've not been by in a while, the exterior of the church building and grounds looks different. As reported earlier, because the original Front Street entrance doors were very heavy and difficult to open for some of the congregation, the Trustees approved their replacement. In addition, the Trustees felt the landscaping on the Center Street side of the building, particularly around the Lontz Memorial Garden sign, was overdue for some sprucing up. In late August and early September both projects were completed. Hopefully the congregation is pleased with the results. With the Harvest Festival attracting so many people to our town, we're thankful that the projects were completed prior to the festivities.

Another project that is progressing but not finished is the lighting upgrades. The lights have been updated and brightened in the sacristy and the 'tunnel' between it and the sanctuary. In the interior, we are still hoping to brighten the lighting in the Front Street entrances. On the exterior, a test light has been installed on one of the stained glass windows for illumination at night. We've asked that it be adjusted to provide more light on the window. After the adjustment, we'll make a decision on whether to proceed with replacing all the lights.
