PASTOR LEANNE'S MESSAGE:

SONG OF SOLOMON 2:10-13

My beloved speaks and says to me: "Arise, my love, my beautiful one, and come away, 11 for behold, the winter is past; the rain is over and gone. 12 The flowers appear on the earth, the time of singing has come, and the voice of the turtledove is heard in our land. 13 The fig tree ripens its figs, and the vines are in blossom; they give forth fragrance. Arise, my love, my beautiful one, and come away.

Okay, so, it's a love song – sensually graphic and not the kind of thing one normally associates with scripture. And yet it is included in the holy script in all of its detailed glory. Young lovers frolic in the emerging springtime – everything is beautiful and new and sensual.

This scripture came to mind as we emerge from a long hard winter. I spotted my first robin last week, and the mountains of snow are almost gone and this morning, raucous birds woke me up around 4:00 in the morning; as the scripture says, the time for singing has come, the voice of birds are heard in the land, things are beginning to blossom. Arise, and come away, the poet cries, "get up, get out, enjoy life, and love, and be glad.

It's good advice for all of us: get up, get out, enjoy life, and love, and be glad. Winter cooped us up – it made gathering inconvenient, and at times impossible, and it kept us in separate places with minimal connection – not good for the soul. Let's let the new creation of springtime thaw out the tiredness of the winter, and let us seek each other in the sunshine for mutual enjoyment of God's blessings.

Leanne

FROM OUR PARISH NURSE - WANONA

Hello May!!! Happy Mother's Day to all you Mom's and Happy Memorial Day! I am so glad spring has arrived. I hope you all were able to enjoy some nice spring days!

We are taking our summer break for the Balance & Strengthening classes and the Sunday Blood Pressure Clinics. We will begin again in October. The date for the **2023 Health Fair** is set for Thursday, September 28th. There will be a sign-up sheet for volunteers for the Health Fair on my bulletin board soon, if you're interested, please sign up.

GIGGLES:

Things to remember about mom: Happy Mother's Day to all you Moms!

- What kind of flowers are best for Mother's Day? **Mums.**
- I asked a police recruit during an exam, "What would you do if you had to arrest your own mother?"
He said, "**Call for backup.**"
- Super-Mom: The amazing ability to hear a sneeze through closed doors, in the middle of the night, three bedrooms away... While daddy snores next to you.
- Nothing is really lost... until **Mom** can't find it.
- Mother to son: "I'm warning you. If you fall out of that tree and break both your legs,
"don't come **running** to me!"
- What kind of boat is barely staying afloat, yet somehow manages to function? **The mother ship.**
- What three words that solve dad's every problem? **Ask your mother.**
- Why do mother kangaroos hate rainy days? Their kids have to **play inside!**

“A Word with Wanona” - I would like to introduce you to Jim Rambo

Jim was born in Charleston, West Virginia. He has two brothers, one happens to be his twin, and two sisters. Jim’s very first job was working at a grocery store called Stone Grocery in LaMoure, N.D. at the age of 14 years old. He later had a temporary job shearing sheep.

Jim graduated from LaMoure High School in 1968. He attended Jamestown College and graduated in 1972 with a Bachelor of Science degree in Health & Physical Education Recreation. He happened to be very talented in the high jump.

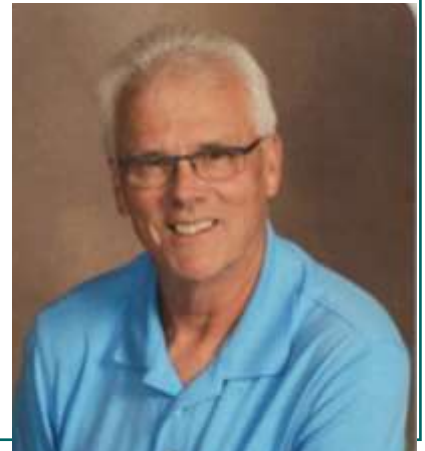

Jim was never married, but his goals in life were wanting to be a teacher and finding a soul-mate. The most memorable event in Jim’s life was accepting Jesus as his Lord and Savior in Kulm, North Dakota in 1980. Jim is thankful for his church family here at First Presbyterian, and having the opportunity to serve as a Deacon as well as volunteer for many projects.

Jim’s hero is his younger brother Jeff. He is very proud of Jeff as a parent of a daughter and two sons. He is also a wonderful grandpa. Jeff lives an active life with his church and faith, and Jim feels Jeff is very generous and caring.

One of the funniest things that he remembers was during an Ash Wednesday Service where Pastor Matthew lit the church members written “litany of sins” on fire and caused quite a commotion. When he was praying with his back to the burning bowl, the flames started to grow a little out of control, he was lucky not to catch fire himself!

Jim became a member of the First Presbyterian Church in 1983. As a volunteer for Presbyterian Disaster Assistance, he was involved with Hurricane Katrina recovery twice and during the flood in Minot three times. Jim serves as a Deacon, and is a member of the Property & Equipment Committee. He is a member of the Chancel Choir, Westminster Chimes Bells Choir, a Lay Reader, and a member of a Caroling Quartet. Thank you, Jim for sharing your life journey with us.

Join Us for the Meet & Greet with “House Calls”

Wed. May 10 - 2:00pm in the Parlor

Learn about House Calls and meet the care team.

Stay home. Stay safe.

Quality medical care in the comfort of your home!

They help with everything from routine check-ups and annual wellness visits to urgent care and serious illness management. We also work with community partners to provide in-home blood draws, X-rays and other specialty services.

First Presbyterian Church has once again been gifted the use of 14 raised beds for planting a “community garden” right here in Bismarck. Produce from the last two years has gone to a variety of agencies in Bismarck as well as to the congregation and the Child Care Center. We now have the opportunity to continue this mission.

A garden needs more than seedlings and rain, however. This is where the congregation can help. Lack of a green thumb is not a disqualifier! Following are some ways that members of the church can help.

Donations: Big pieces of cardboard—flattened boxes are perfect

Grass clippings from lawns that have not yet been treated with pesticides, herbicides, or fertilizer

Bales of hay

Seedlings

Manual Labor: Preparing the beds with fresh compost and soil

Covering walkways with cardboard and woodchips for weed control

Planting

Weeding

Watering

Harvesting

Some of the labor is a one-time need, some jobs are occasional, but all help is appreciated.

If you would like to be involved, or can make some donations, please contact either

Gail Christianson at 255-4547 or kgmlchri@bis.midco.net or

Alice Nix at 751-7501 or dnix15@bis.midco.net

Thanks!

5 FUN FACTS

ABOUT THINGS YOU MAY FIND IN YOUR GARDEN!

A sunflower is not just one flower. Both the fuzzy brown centre and the classic yellow petals are actually 1,000 – 2,000 individual flowers, held together on a single stalk.

Butterflies might be more attracted to your weeds than your flowers. Colourful blooms aren't the chief reason these insects love your garden – it's more about the fragrance and nectar.

Plants really do respond to sound. Talking to plants to help them grow is a well-known old gardeners tale, but studies have shown vibration (like music, or perhaps even the sweet sound of your voice) can affect plant growth.

There are more micro-organisms in one teaspoon of soil than there are people on earth. That fact might make you uncomfortable, but microbes are important for keeping your soil full of nutrients.

Did you know an adult ladybird can eat 5000 aphids in its lifetime?

CHRISTIAN ED COMMITTEE

Dear congregation, the Christian Ed Committee would like to thank you all for supplying us with the wonderful Easter Eggs and the delicious candy for the kids to find and eat. Palm Sunday had an amazing amount of youth to join in all the fun. We wouldn't be able to do all these amazing and fun activities without your support.

Sincerely,
Mark and Marete

The Child Care Center News

National Daycare Provider Appreciation Day was started by a group of volunteers in New Jersey in 1996. This group saw the need to recognize the tireless efforts of Daycare providers, Nannies and Teachers, who care for children of working parents. Each year momentum and support has grown and a proclamation is signed by many of the State Governors. Since 2001, this day has been globally recognized through the internet when an article was published on the National Daycare Provider Appreciation Day. This special day is annually celebrated on the Friday before Mother's Day. This year the date is Friday, May 12th. The FPC CCC Board wishes to recognize and honor all of our CCC staff caregivers at the 10:00 AM Sunday Service on May 21st. Please join us immediately after the service in the Church Parlor for a time to "thank" them for all they do every day! Refreshments will be served.

Due to scheduling conflicts, the CCC Board plans to serve all of the staff, supper, prior to their monthly staff meeting on April 27th, as part of the appreciation celebration.

We thank you for the generous donations of Kleenex, paper towels, powdered dishwashing detergent and bleach. For the month of May, we will again be requesting the powdered dishwashing detergent and bleach for the needs list. We also thank you for the continued monetary donations. If you might know anyone who would be interested in working with infants and children through age 5, please have them contact Shawn or Vanessa at 258-7490. They may also stop by the church office during the week and ask for an application or fill out an application online.

RESOURCE & MANAGEMENT COMMITTEE

The Per Capita Special Offering is a special offering of our church that extends the entire year. We start to talk about it in January of each year and provide added information throughout the year in the form of periodic minutes for mission, special articles in the newsletter and church bulletins.

Per Capita is the amount that the church must pay to the larger church for each member of the church. This year that amount is \$50 per member. The per capita payment of each church in our denomination is divided between the Presbytery, the Synod, and the General Assembly, and provides the most substantial source of funding that supports the larger church and enables it to provide the connectionism that makes the Presbyterian Church unique and enables it to function the way that it does. If you have not served in a leadership position in the church, you may not appreciate all that the larger church does in support of the individual churches and its members. Without the connectional relationships that exist in our denomination between the individual churches and the Presbyteries, Synods, and the General Assembly many churches would find it very difficult to survive without the guidance and leadership offered by the larger church organization and staff personnel. One example of how the larger church benefitted our church in recent years is the Investment Loan Program (ILP) that financed the Phase I of our HVAC system upgrade with a 2% loan. Without this program our church would have found it much more difficult and expensive to obtain the necessary financing.

We mention the Per Capita Special Offering starting in January and request that each member consider giving a gift to the church of \$50 to cover their share of the church's financial obligation to the larger church. If you are a member that pledges income each year to the church, and would like to be able to help support other members who might find it financially unfeasible to pledge or to make the separate per capita donation, your separate gift of \$50 will help cover the cost of membership for that less fortunate member of the church. You can make your per capita gift to the church simply by making out a check and sending it to the church office with per capita written in the memo blank on the check. You may also place it in the collection baskets in the rear of the sanctuary on Sunday morning.

Please consider making a separate per capita payment to the church this year and feel confident that you are doing your part to help support our Presbyterian Church and its membership in the largest Presbyterian Church organization in the world.

Thank you, Jim Skaret

Pentecost Sunday is Coming May 28, 2023

The Pentecost Offering helps our youth begin life with a strong start, a solid foundation of faith, formed in the first third of life, from childhood through young adulthood.

Each year on Pentecost Sunday, we celebrate the gift of the Holy Spirit and the birthday of the church. The Holy Spirit remains with us still, connecting us with the church of the past, continuing to inspire the church of today, pointing us to the church of the future. Each year, the celebration is marked by receiving the Pentecost Offering which nurtures the faith of the church to come – children, youth, and young adults.

Psalm 71 testifies that a foundation of faith established during childhood helps ensure lifelong faith and service. The patterns and lessons established during these formative years continue to bear fruit throughout life. By giving the Pentecost Offering, our congregation participates in helping our children, youth and young adults grow up to proclaim with the Psalmist, **“O God, from my youth you have taught me, and I still proclaim your wondrous deeds.**

40% of the offering is retained by the local congregation for investment in local programs. This year the FPC Child Care Center will receive the 40% to enhance their goals of supportive services to youth and their families. This will create strong healthy relationships in our community.

The remaining 60% is sent to the Presbyterian Church USA for young adult volunteer programs throughout the world, youth ministries and child advocacy that nurtures our children and youth in mind, body, and spirit.

Thank you for participating in celebrating Pentecost Sunday and our youth.

In Christ, John Richter

On behalf of the Resource Management Committee

Property & Equipment-

The sudden passing of Tony Bartole over the Easter Holiday was a shock to everyone who knew and interacted with him. His dedication, good humor, and “can do” attitude will be sorely missed. The void left behind is huge and our prayers are with him. In the near future, First Presbyterian will need to hire the right person. If you know anyone who has good qualities for that position, please spread the word.

To fill part of the gap in the meantime, Thank You to the members of our church family who have stepped forward and dedicated their time and energies to cleaning and maintaining the building!

Westminster Chimes will be wrapping up this year's ringing season on May 21st when they join the Chancel Choir in a musical worship service. We would like to thank Pastor Leanne and the congregation for their support and kind words.

Also, many thanks to the dedicated ringers who gave their time and talent to weekly rehearsals and monthly contributions to worship: Kara Richter, Juanita Hocking, Linda Tonolli, Alice Nix, Kris Ronningen, Tammy Lelm, Iris Giedd, Rosey Sand, Shelly Heilman, Judy Tschider, Kathy Wachter, and Jim Rambo.

We were also blessed to have these ringers from Good Shepherd Lutheran Church step in as much needed subs: Sue Howard, Shawn Deisz, Gail Zimmerman, Vanessa Hoines and Christy Peterson.

After a summer of rest, we will return next fall for our 50th year of ringing because we believe that *Without Bells, Life Would "B Flat"!*
